About Us...

The LeFlore County Coalition for Health Living is a unique partnership of community organizations, agencies, mental health providers, business professionals, family members, and individuals committed to improving the quality of life for children and families residing in LeFlore County.

The Coalition is actively striving to make LeFlore County a healthier place to live through efforts including establishing a local Boy's & Girl's Club, drug prevention initiatives, school readiness programs, educating and empowering area youth, funding and implementing Systems of Care program and providing education to the community.

This county wide coalition is working to promote healthy living for our neighbors, friends and families.
