3. I am satisfied with the health care system in our community.

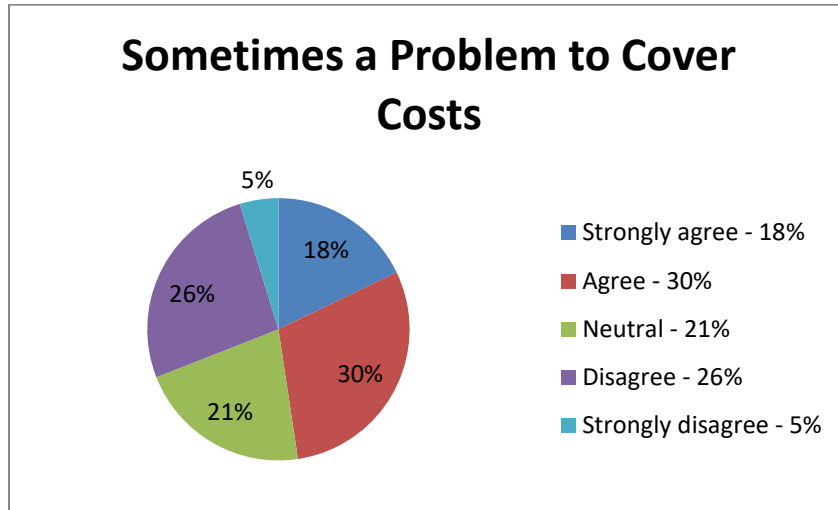

a. I have easy access to the medical specialists that I need.

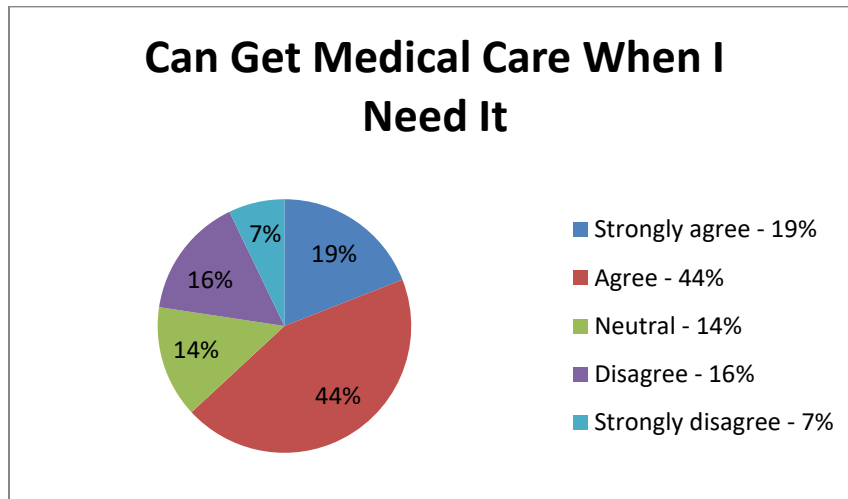

b. I am very satisfied with the medical care I receive.

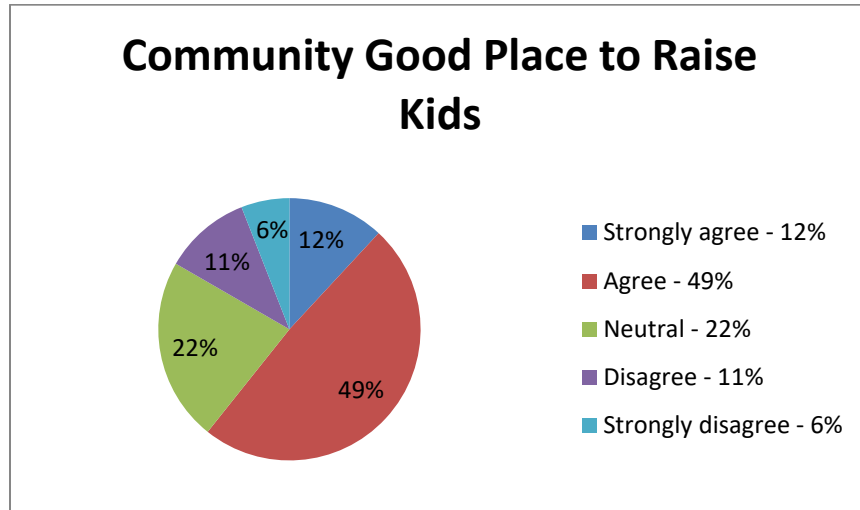

c. Sometimes it is a problem for me to cover my share of the cost for a medical care visit.

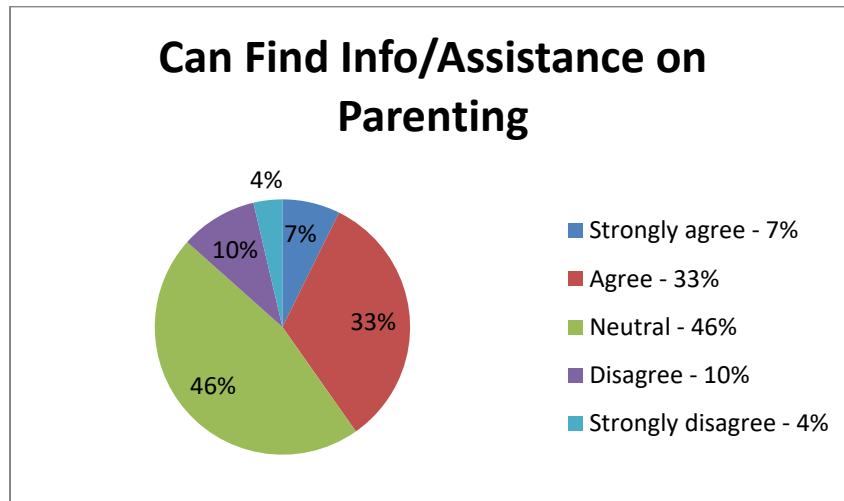

d. I am able to get medical care whenever I need it.

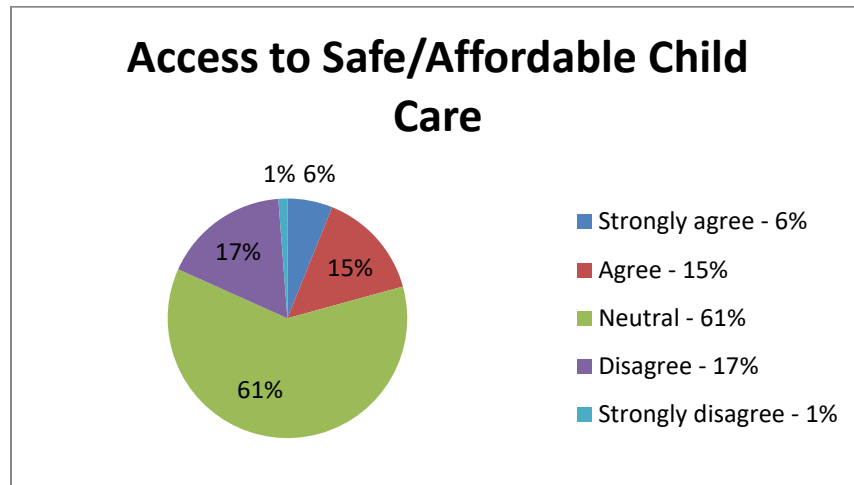

4. This community is a good place to raise children.

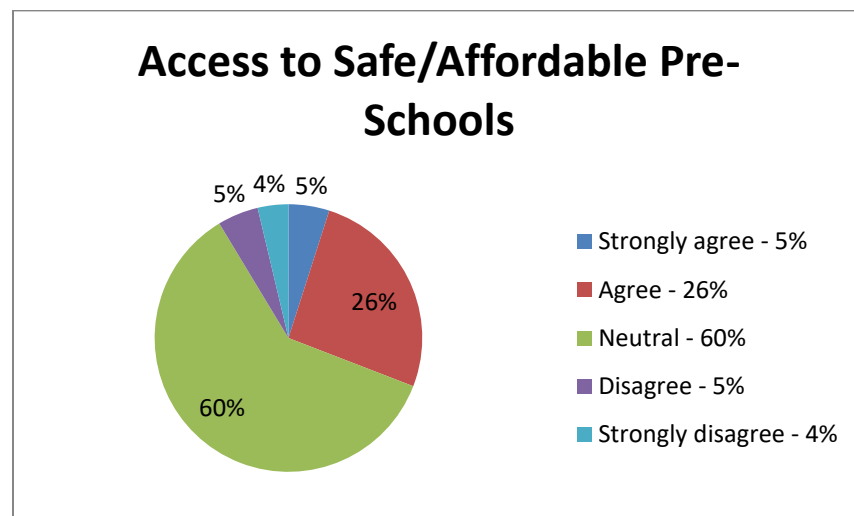

a. I can find adequate information or assistance on how to parent.

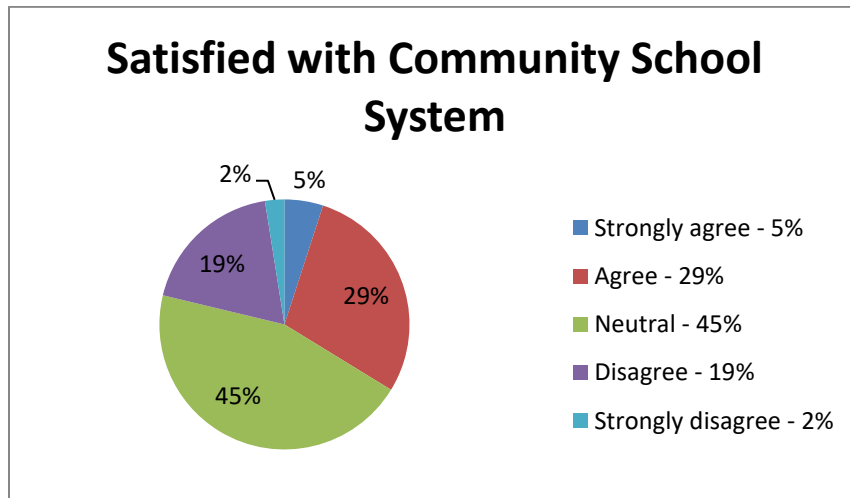

b. I have access to safe and affordable day care (child care).

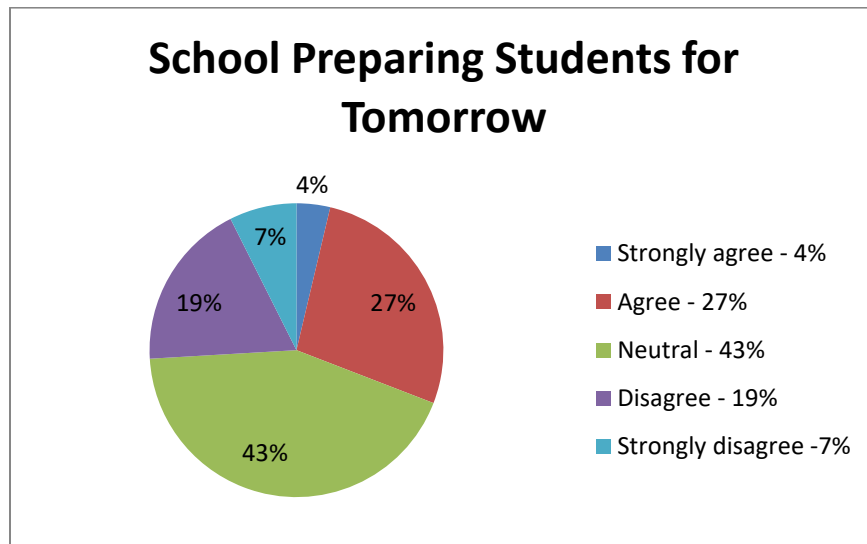

c. I have access to safe and affordable pre-schools.

d. I am satisfied with the school system in my community.

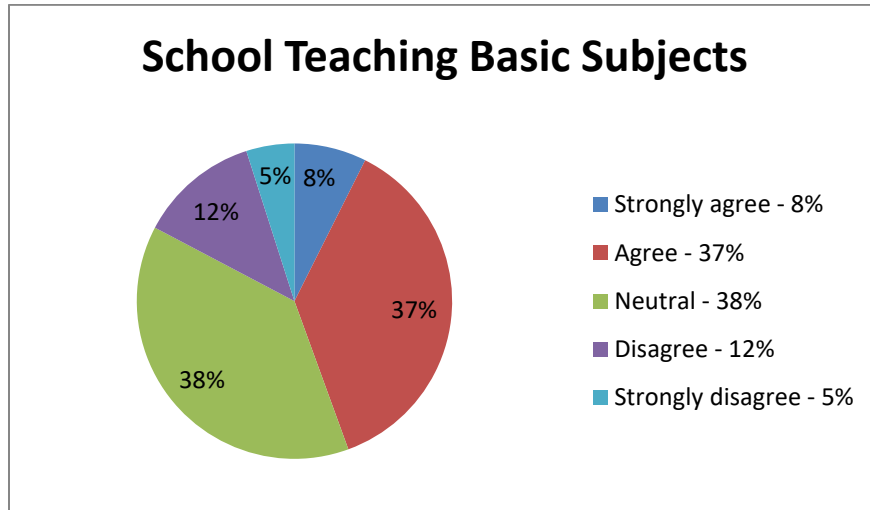

e. I am satisfied that my local school district is preparing students for tomorrow's job market.

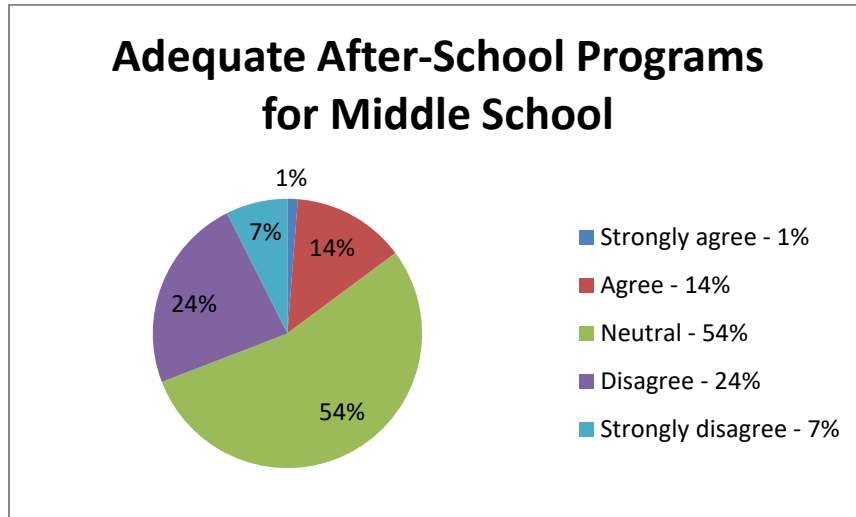

f. I am satisfied that my local school district is teaching the basic academic subjects.

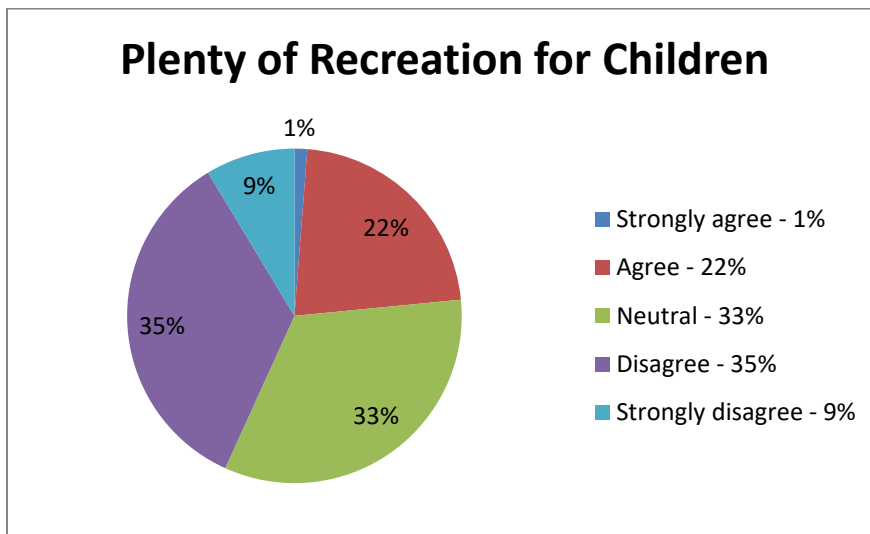

g. There are adequate after school programs for elementary age children to attend.

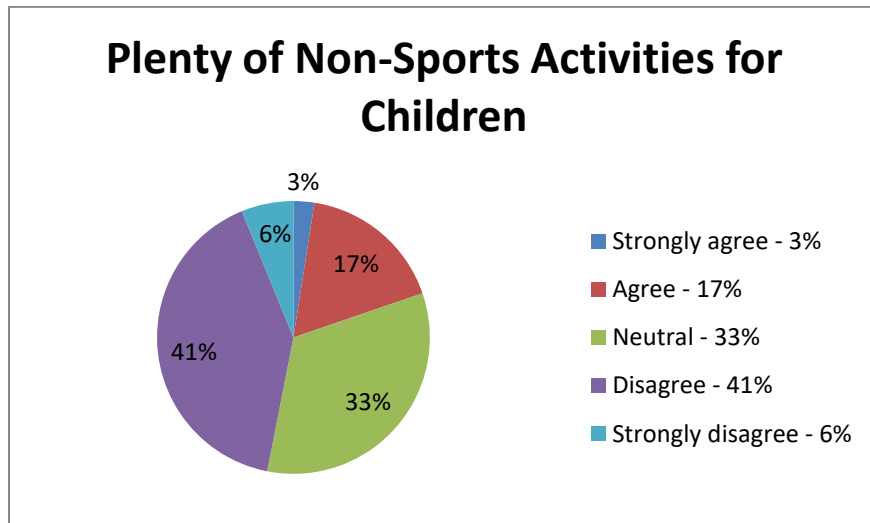

h. There are adequate after school opportunities for middle school and high school age students.

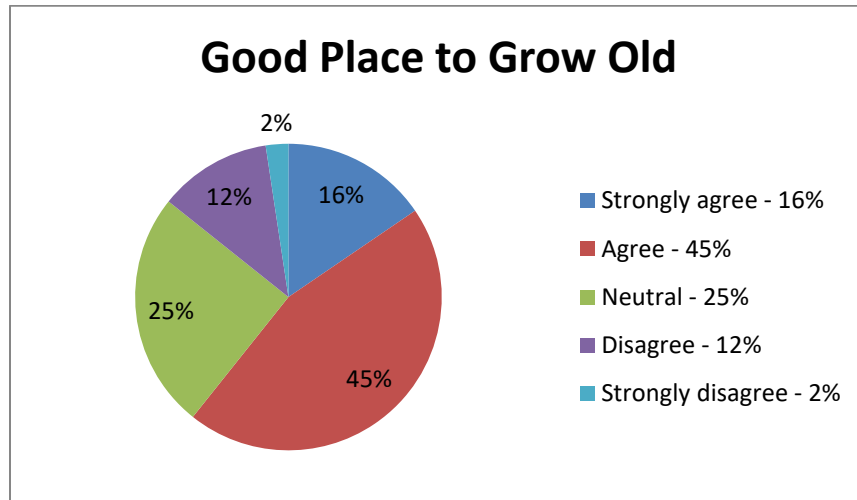

i. There are plenty of recreation opportunities for children in my community.

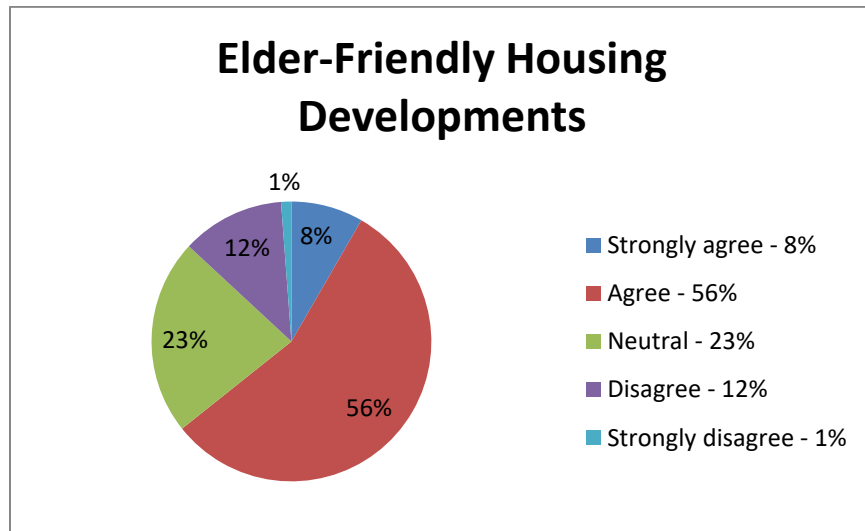

j. There are plenty of non-sports related activities for children in my communities.

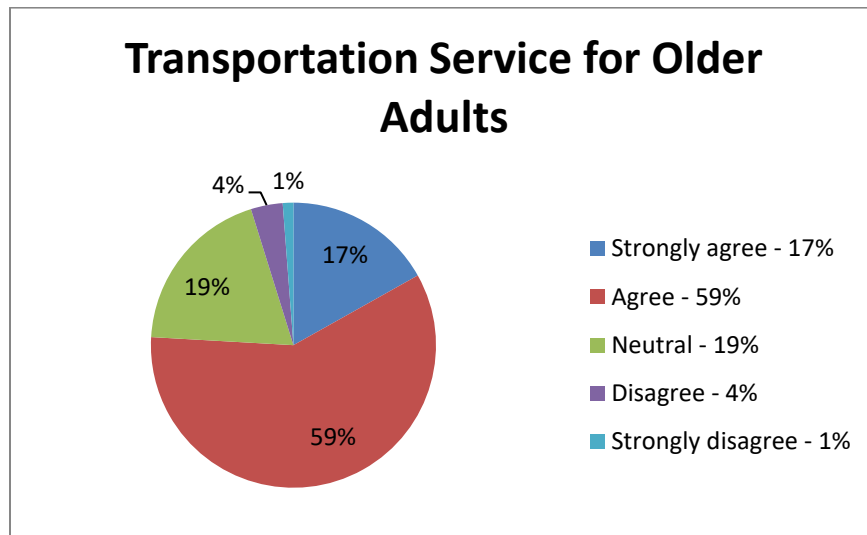

5. This community is a good place to grow old (considering elder-friendly housing, transportation to medical services, shopping, elder day care, social support for the elderly living alone, meals on wheels, etc).

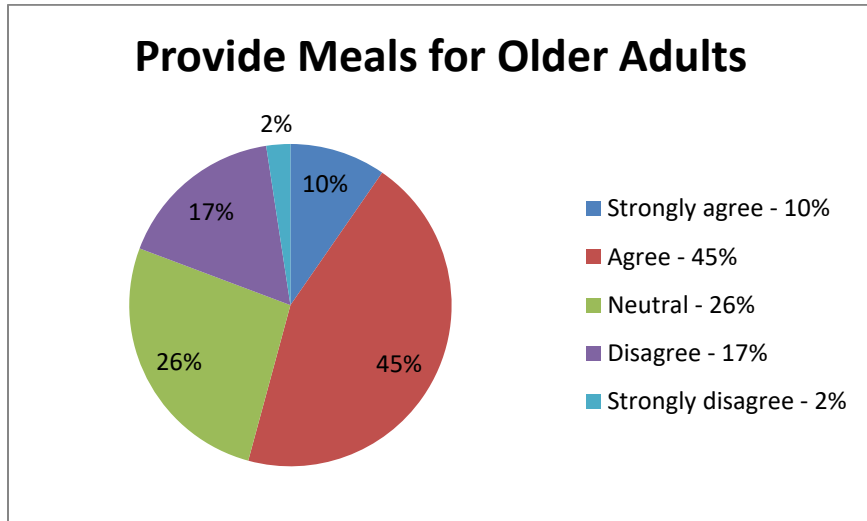

a. There are housing developments that are elder-friendly.

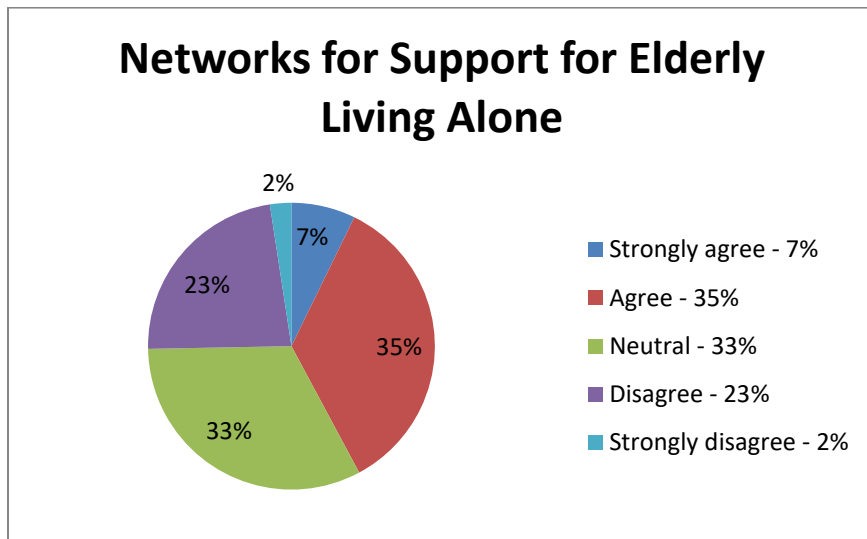

b. There is a transportation service that takes older adults to medical facilities or to shopping centers.

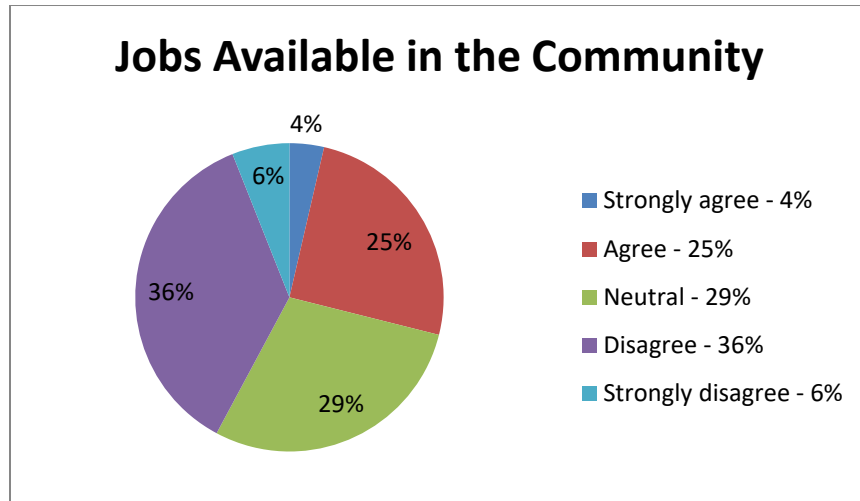

c. There are enough programs that provide meals for older adults in my community.

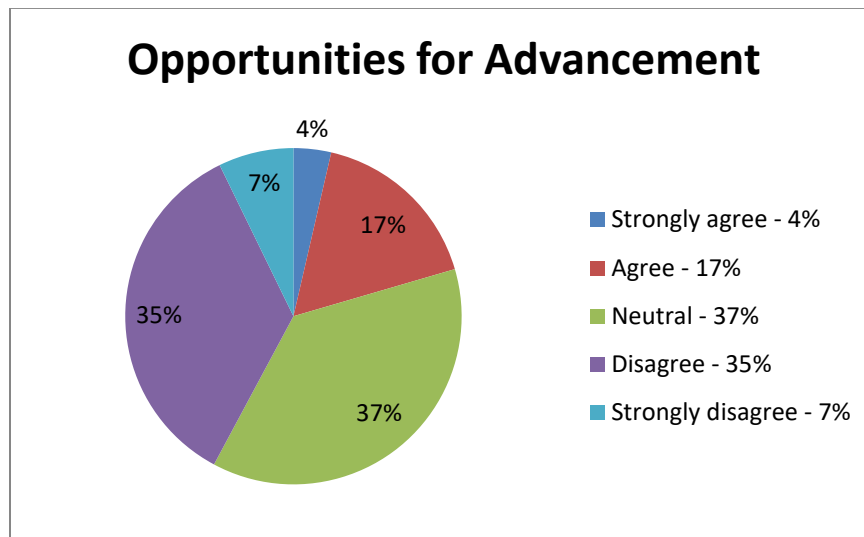

d. There are networks for support for the elderly living alone.

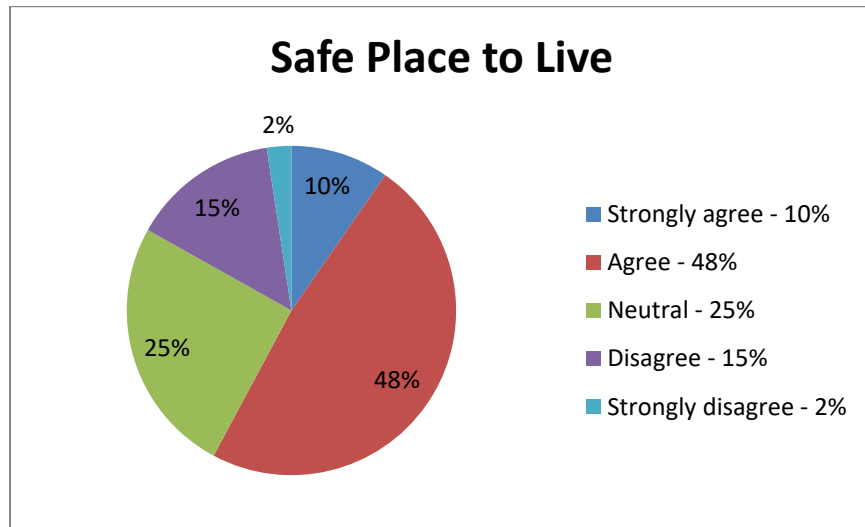

6. There are jobs available in the community (considering locally owned and operated businesses, jobs with career growth, affordable housing, reasonable commute, etc.).

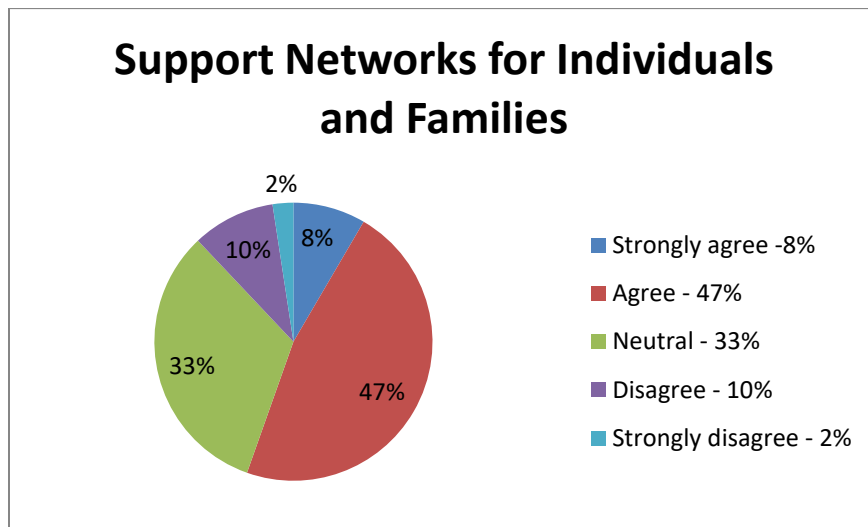

- a. There are opportunities for advancement in the jobs that are available in the community (considering promotions, job training, and higher education opportunities).

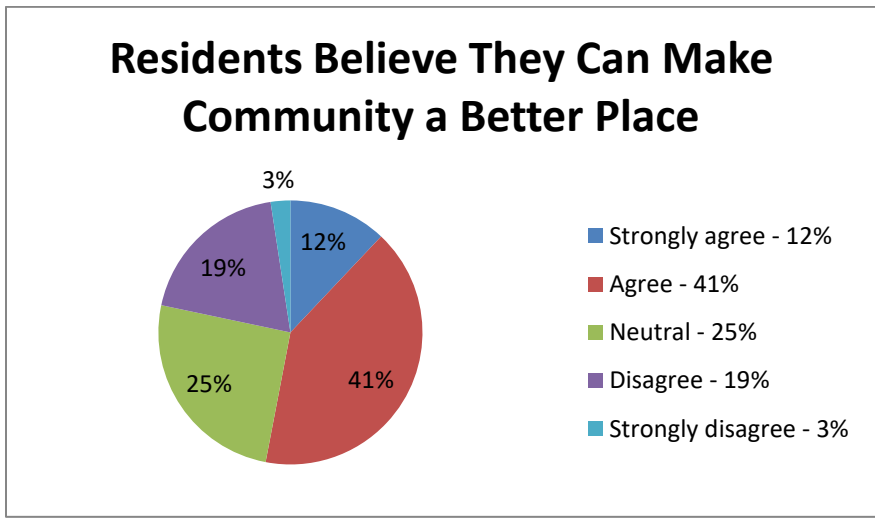

7. The community is a safe place to live (considering residents' perception of safety in the home, workplace, schools, playgrounds, parks, shopping areas). Neighbors know and trust one another and look out for one another.

8. There are support networks for individuals and families (neighbors, support groups, faith community outreach, agencies, and organizations) during times of stress and need.

9. All residents believe that they, individually and collectively, can make the community a better place to live.

10. In the following list, what do you think are the **three most important “health problems”** in our community? (problems that have the greatest impact on overall community health) Check only three.

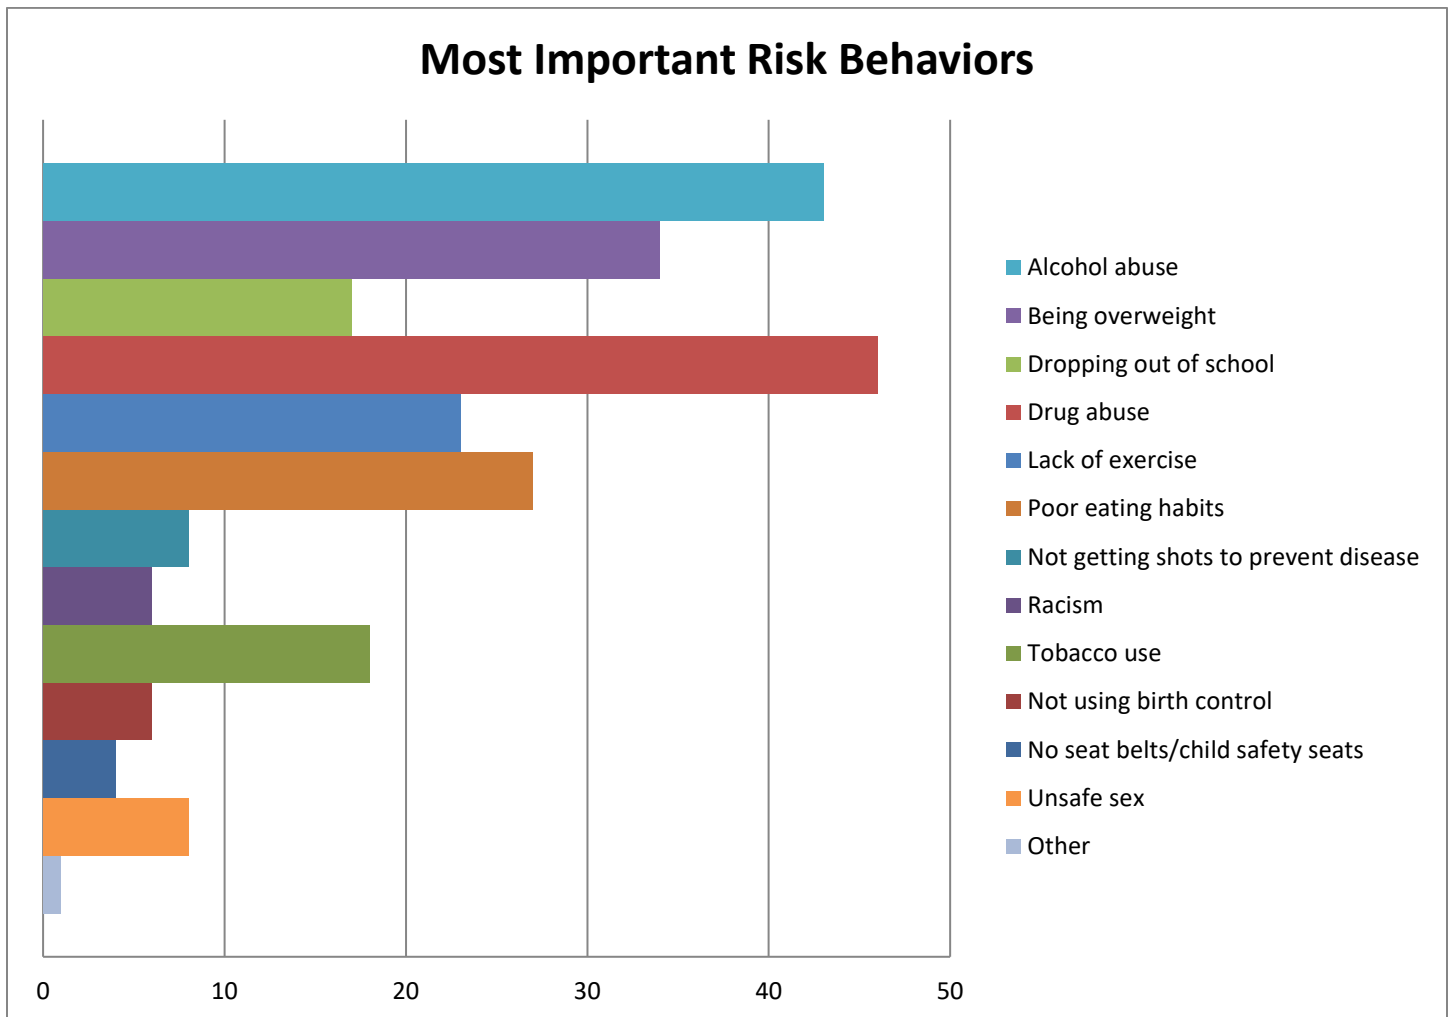

11. Of the problems that you marked, which one would you most likely work on?

- Child abuse/neglect - 4
- Mental health problems - 13
- Obesity - 8
- STDs - 3
- Tobacco prevention/education - 1
- Drugs - 2
- Adequate housing - 7
- Dental problems - 2
- Heart disease and stroke - 2
- Healthy living - 1

- Diabetes - 2

- All - 1

12. In the following list, what do you think are the **three most important “risky behaviors”** in our community? (those behaviors that have the greatest impact on overall community health). Check only three.

13. Is there anything else you would like to add that you feel the survey did not cover?

- We need programs to assist parents with special needs children. Parents with special needs children need help providing ramps, disabled vehicles and items insurance doesn't cover.
- Before care for children (before 0700am).
- I don't see Drs here because of access and prior negative experiences.
- Transportation service weak system/program.
- Housing for felons and safety.
- Drugs and housing.
- Community needs swimming pool year round. Not everyone qualifies for SoonerRide. No transportation to OKC oncology. People die in their small town for lack of transportation. Can't get to OKC and Edmond medical appointments. No transportation service to Edmond or OKC Integris Cancer Institute. Support networks depends on who you are. Good luck getting hearing aids.

- I don't have any insurance so I don't know about easy access to medical specialists. I haven't been to a doctor for a number of years.
- Wish we were more than just antique stores.
- Guthrie is not growing, jobs are rare. Big companys need to come to Guthrie.
- We have great cooperation with the churches and civic groups. The chamber is very active and supportive of the community as a whole, not just the business community.
