In addition, each team shall develop confidentiality statements and interagency agreements signed by member agencies that specify the cooperative effort of the member agencies to the team,
- c. freestanding multidisciplinary child abuse teams shall be approved by the ~~Child Abuse Training and Coordination Council~~ Commission. The ~~Council~~ Commission shall conduct an annual review of freestanding multidisciplinary teams to ensure that the teams are functioning effectively. This authority applies only for as long as reasonable danger to the child exists. A reasonable effort to find and provide a trained investigator or interviewer shall be made.

D. 1.
