About Us...

Mayes County Hope Coalition was established in 2008 and recently received 501(c)3 status. The coalition is made up of individuals and groups of organizations who all work collaboratively to generate a healthier Mayes County, through outreach, prevention, and education. To localize efforts, the Coalition serves all communities within the Mayes County area and partners with many organizations in the service region.

The coalition is nationally certified through the Community Anti-Drug Coalitions of America (CADCA), which supports the coalition's efforts to adopt and implement new ways to sustain its mission.

Mayes County Hope has partnered with other organizations funded through the CAN grant program including Satellite in Locust Grove to prevent adult alcohol misuse in Mayes County.
