Smokeout set for Thursday

The Muskogee Turning Point Coalition is encouraging tobacco users to stop by the Muskogee County Health Department or the Cherokee Nation Muskogee Health Center between 7:30 a.m. and 1 p.m. on Thursday and trade their tobacco products for a “cold turkey” sandwich, survival kit and a chance to win a turkey.

The Cherokee Nation is partnering with area businesses to help smokers kick the habit.

To register, call Cora Flute at 453-5612 or Bunner Gray at 453-5615.
