

# National Health Service Corps Providers (NHSC) & Dental Health Professional Shortage Areas (HPSAs)

## Legend

- NHSC Dental Providers
- Geographical Area HPSA
- Low Income Population HPSA
- Not Health Professional Shortage Areas

**Total NHSC Dental Care Providers: 25**

### Dentist Definition:

NHSC Dental Health providers include dentists and dental hygienists providing care in Health Professional Shortage Areas (HPSAs). The NHSC program provides loan repayment assistance in exchange for a two-year commitment to serve at an approved NHSC site.

Population HPSAs are designated based on the ratio of health professionals to the low income population of an area. Geographical Area HPSAs are designated based on the ratio of health professionals to the total population of an area. Areas that are not HPSAs do not meet criteria for designation.
