

National Health Service Corps Providers (NHSC) & Mental Health Professional Shortage Areas (HPSAs)

Notes:

NHSC Mental Health providers include psychiatrists, psychiatric nurse practitioners and other mental health professionals providing care in Health Professional Shortage Areas (HPSAs). The NHSC program provides loan repayment assistance in exchange for a two-year commitment to serve at an approved NHSC site. Population HPSAs are designated based on the ratio of health professionals to the low income population of an area. Geographical Area HPSAs are designated based on the ratio of health professionals to the total population of an area. Areas that are not HPSAs do not meet criteria for designation.
