

National Health Service Corps Providers (NHSC) & Primary Care Health Professional Shortage Areas (HPSAs)

Legend

- ★ NHSC Primary Care Providers
- Geographical Area HPSA
- Low Income Population HPSA

Total NHSC Primary Care Providers: 79

Notes (Health Professional Shortage Areas):

NHSC Primary Care providers include physicians, physician assistants and nurse practitioners providing care in Health Professional Shortage Areas (HPSAs). The NHSC program provides loan repayment assistance in exchange for a two-year commitment to serve at an approved NHSC site. Population HPSAs are designated based on the ratio of health professionals to the low income population of an area. Geographical Area HPSAs are designated based on the ratio of health professionals to the total population of an area. Areas that are not HPSAs do not meet criteria for designation.
