**OASIS-C1/ICD-10
Compliance & Clinical
Workshop**

November 5, 2015
Oklahoma City, OK

November 18, 2015
Tulsa, OK

Sponsored by the
Oklahoma State Department of Health
Quality Improvement & Evaluation Service
(QIES Help Desk)

Target Audience

This workshop is designed for new home health clinicians and staff desiring a review of OASIS scoring conventions and updates on regulatory compliance issues.

Educational Goals

- To provide participants with important information related to Civil Monetary Penalties (CMP), Deficiency patterns, and the Survey and Certification process.
- To support the educational needs of home health clinicians through guided instruction, and participation in application scenarios, to increase accuracy of data collection.

Registration

- OKC registration is limited to 192
- Tulsa registration is limited to 328

Registration must be received

By QIES Help Desk

No later than

October 15, 2015

Speakers

LaTrina Frazier, Ph.D., MHA, RN

LaTrina has been working in health care settings for over twenty-one years. Along with her Ph.D. in Public Health, she also has degrees in Nursing, Business Administration and a Master's Degree in Health Care Administration. Dr. Frazier has spent the majority of her time (over 14 years) in the home health and hospice setting, for which she has a great passion. She is currently the Administrative Programs Manager for the Home Services Division of the Oklahoma State Department of Health (OSDH).

Bob Bischoff: Bob is currently the MDS-OASIS Automation Program Manager for the Oklahoma State Department of Health (OSDH). He has provided 16 years of service at OSDH. Bob has experience as a Medicare Licensure and Certification Surveyor and has been involved in corporate training throughout his career. Bob has consulted with professional staff assisting them in the automation process for OASIS systems.

Diane Henry, RN, HCA: Diane is the Director of MDS/OASIS and serves as the State OASIS Education Coordinator. Diane has over 22 years experience and knowledge in home health and is a state licensed home care administrator. She is a former owner of a successful multi-branch agency and has consulted with home health agencies assisting them with improved patient care and organizational outcomes.

Sponsor

This program is being offered at no charge to participants by the Oklahoma State Department of Health, Quality Improvement & Evaluation Service (QIES).
