

2011 OHIP Work Group Quarterly Report

Dated July 1, 2011-September 30, 2011

Work Group Name: Health Systems Effectiveness (Public/Private Partnership)

Work Group Goal: Foster Collaborative Relationships with Public & Private Partners – Statewide Focus

Result Objective	Target Completion Date	Actual Completion Date	Accountability (Lead Person(s) Responsible)	Measure	Progress
1. Link healthcare providers/facilities with schools to implement and enhance recommended wellness activities outlined in the Certified Healthy Schools Criteria and recommended by the CDC in the Coordinated School Health Model	Beginning with 2012 Certified Healthy School Application Process		Lead: OSDH	Measures: 1. # of health facilities adopting a school 2. # of certified healthy schools	The OHIP subcommittee on Public Private Partnerships has met and agreed to develop a school adoption program for health facilities. Schools will have an opportunity to apply for adoption by a health facility to assist accomplishing some of the criteria required in the Certified Healthy Schools Criteria (For example, health screening for students, teachers and family; special health education events for students and families; health screening activities; etc.) The OSDH will be developing this program further after final reorganization into the Center for the Advancement of Wellness.
2. Organizing business leaders in order to effectively leverage resources and advocate for health.	12/31/2012		Lead: OHIP, Public Private Partnership Group and others TBD	Measures: 1. 100% completion of plan by 2012.	The Public Private Partnership Group will continue to develop this plan. Ideas include the possibility of a Business Leaders Health Council.

Chairs: Barry Smith, Bert Marshall, Julie Cox-Kain
