

**2011 OHIP Work Group Quarterly Report
July - September 2011**

Work Group Name: Tobacco Use Prevention Workgroup

Work Group Goal: Protect all Oklahomans from exposure to secondhand smoke

| Result Objective | Target Completion Date | Actual Completion Date | Accountability (Lead Person(s) Responsible) | Measure | Progress |
|---|------------------------|------------------------|---|--|--|
| <p>1. By May 2010, extend state law to eliminate smoking in all indoor public places and workplaces, except in private residences.</p> <p>a) Educate the public and policy makers concerning the seriousness of adverse health effects of secondhand smoke exposure, including brief exposures.</p> <p>b) Educate the public and policy makers concerning progress in other states to protect workers and the public from secondhand smoke exposure, including successful implementation of smokefree laws with positive health benefits and without adverse business effects.</p> <p>c) Organize business and professional organizations, healthcare and public health organizations, public health agencies and others to call on elected officials to strengthen Oklahoma's clean indoor air laws.</p> <p>d) Intervene with the Oklahoma Restaurant Association to obtain their support for smokefree Oklahoma</p> | <p>May 2010</p> | | <p>Lead: a) OSDH/TSET b)Oklahoma Alliance on Health or Tobacco (OAHT) c) OAHT d) OSDH</p> | <p>Measures:</p> <ul style="list-style-type: none"> • Law amended | <p>Efforts this year are focused on restoring local rights for smokefree environments. There is a continued emphasis on the importance of eliminating smoking in public places and workplaces through local coalitions and through the Musicians for a Smokefree Oklahoma website and Facebook page.</p> <p>Additionally, efforts are underway to help educate on the rebate program available to restaurants with smoking rooms to encourage them to voluntarily close the rooms and go smoke free. This rebate was part of legislation to help accommodate those who invested money into building smoking rooms.</p> |
