

2014 OHIP Work Group Quarterly Report
1st Quarter (July - September); SFY Ending June 30, 2014

Work Group Name: OHIP Infrastructure Workforce Workgroup

Work Group Goal: (6) Build a bridge between public and private systems.

Result Objective	Target Completion Date	Actual Completion Date	Accountability (Lead Person(s) Responsible)	Measure	Progress
<p>1. Identify strategies to expand public awareness of health careers to the general public in Oklahoma using the (OHCWC okhealthcareworkforce.com), ODOC (okcareerplanner.com), provider associations, and other website locations</p>	<p>Ongoing, January, 2012</p>		<p>Lead: OHCWC, ODOC and OPMTC Other participants: OSHD via OHIP, AHEC, Chambers of Commerce, private health care providers, health care provider associations, and ODCTE</p>	<p>Measures: By January, 2012 have a website strategy established along with processes to track utilization</p> <p><u>Actions</u></p> <ol style="list-style-type: none"> 1. Meet with stakeholders by January, 2011 to determine information needs for websites; include as part of consideration ODOC's initiative using spidering technology as well as provider association job recruitment sites. 2. Finalize information needs and website linkages by June 2011 3. Upgrade websites by January 2012. 	<p>9/2013 No new information. 6/6/13 The Office of Primary Care is temporarily housing workforce data and is working to collect links to resources which will be posted on healthcare workforce website.</p> <p>3/7/13 OSDH has agreed to host a healthcare workforce website. Website will contain new data, reports, and links to a comprehensive range of workforce development websites and other resources. The website will not duplicate existing resources or efforts i.e., OKcareerplanner or okhealthcareworkforce.</p> <p>12/7/12 Group discussed hosting on the OSDH website but wants to make certain there is appropriate distinction for the data. Strategy is to post databook with links to expand information contained in book. Data group will meet in early January.</p> <p>9/7/2012 Center for Workforce will be unable to create website. Group will work on identifying new strategy to produce and host website.</p> <p>6/7/2012 Center for Workforce has been unable to complete their work. New data committee is being formed.</p>

<p>2. Collaborate with workforce partners in monitoring legislation on health care workforce needs.</p>	<p>June, 2011 Ongoing)</p>		<p>Lead: OSDH, ODOC and OHCWC Other participants ORHE, ODCTE, OPMTC, OHA, OSU Center for Rural Health, OUHSC and AHEC</p>	<p>Measures: By June, 2011, monitor legislation that addresses health care manpower shortages (as derived from data analysis), career pathways and training needs to increase medical provider capacity. <u>Actions</u> 1. Monitor legislative activity</p>	<p>9/2013 Members of the group made recommendation to form a policy subgroup to analyze and coordinate policy recommendations. 6/6/13 OHA monitors workforce legislation as does the Oklahoma Nursing Association. Links to legislative reports are found on both of these websites. 3/7/13 No new information. 6/7/2012 No new information.</p>
<p>3. Increase the efficiency of oral health and primary care services to The Uninsured Severely Mentally Ill (SMI) through expanded collaboration of the Federally Qualified Health Centers and the State Certified Mental Health Centers</p>	<p>Ongoing January, 2013</p>	<p>Completed June 2011 but continuing efforts to further increase services for plan duration time period.</p>	<p>Lead: OSDH Office of Primary Care, Oklahoma State Department of Mental Health, Federally Qualified Health Centers, and Community Mental Health Centers</p>	<p>Measures: By January 2013, provide a medical Home to the over 6,000 SMI patients who are currently uninsured <u>Actions</u> 1. By November, 2010 identify federal funding available through health care reform. 2. Monitor grant notification process 3. Repeat activities for 2012 and 2013.</p>	<p>Done 12/7/12 Health Homes in Community Mental Health Centers are scheduled to be fully implemented by July 2013. OSDMH will include wellness programs such as chronic disease management and tobacco cessation (funded by TSET). 06/7/2012 James Allen, MPH, presented. Currently waiting on Supreme Court ACA decision for "Medical Home Model Grants", however, most community mental health centers want to go forward without funding. Have changed to screening all persons presenting with mental health issues for chronic diseases. ODMHSAS is working on changing culture of recovery to shift to wellness based initiatives, including tobaccos cessation and exercise. Has been awarded TSET grant to integrate cessation strategies. Four CMHCs are applying for integration grants but looking at sustainability issues.</p>
