

**2012 OHIP Work Group Quarterly Report
January – March 2012**

Work Group Name: OHIP Infrastructure Workforce Workgroup

Work Group Goal: (6) Build a bridge between public and private systems.

Result Objective	Target Completion Date	Actual Completion Date	Accountability (Lead Person(s) Responsible)	Measure	Progress
1. Identify strategies to expand public awareness of health careers to the general public in Oklahoma using the (OHCWC okhealthcareworkforce.com), ODOC (okcareerplanner.com), provider associations, and other website locations.	Ongoing January 2012		Lead: OHCWC, ODOC and OPMTC Other participants: OSHD via OHIP, AHEC, Chambers of Commerce, private health care providers, health care provider associations, and ODCTE	Measures: By January 2012 have a website strategy established along with processes to track utilization <u>Actions</u> 1. Meet with stakeholders by January 2011 to determine information needs for websites; include as part of consideration ODOC's initiative using spidering technology as well as provider association job recruitment sites. 2. Finalize information needs and website linkages by June 2011. 3. Upgrade websites by January 2012.	12/08/2011 - Per Jim Durbin the process is ongoing. 03/15/2012 - Per Jim Durbin - Our friends at Heartland Tele-health Resource Center wrote OHCWC into a grant proposal. If funded, the grant will provide support for a full-time researcher and to develop the centralized health care job-posting website. 03/15/2012 - Monty Evans – (OESC) provided a written report.

<p>2. Collaborate with workforce partners in monitoring legislation on health care workforce needs.</p>	<p>Ongoing June 2011</p>		<p>Lead: OSDH, ODOC and OHCWC Other participants ORHE, ODCTE, OPMTC, OHA, OSU Center for Rural Health, OUHSC and AHEC</p>	<p>Measures: By June, 2011, monitor legislation that addresses health care manpower shortages (as derived from data analysis), career pathways and training needs to increase medical provider capacity. <u>Actions</u> 1. Monitor legislative activity</p>	<p>03/15/2012- Rick Ernest- Updated on Legislation from last year HB 2017 passed and signed by the governor on April 11, 2011 - Tobacco endowment Settlement Trust and OHCA will provide funding of 5.2 million dollars for the grant. If approved it will go into effect July 1, 2012.</p>
<p>3. Increase the efficiency of oral health and primary care services to The Uninsured Severely Mentally Ill (SMI) through expanded collaboration of the Federally Qualified Health Centers and the State Certified Mental Health Centers</p>	<p>Ongoing January 2013</p>	<p>Completed June 2011 but continuing efforts to further increase services for plan duration time period.</p>	<p>Lead: OSDH Office of Primary Care, Oklahoma State Department of Mental Health, Federally Qualified Health Centers, and Community Mental Health Centers</p>	<p>Measures: By January 2013, provide a medical Home to the over 6,000 SMI patients who are currently uninsured <u>Actions</u> 1. By November, 2010 identify federal funding available through health care reform. 2. Monitor grant notification process 3. Repeat activities for 2012 and 2013.</p>	<p>Done 03/15/2012 update: Espa Bowen- Provided an updated report on The Oklahoma State Department of Health and Department of Mental Health and Substance Abuse Services continue to partner with Variety Health Care to participate in a SMI project to provide comprehensive primary health care to the severely mentally ill (SMI). Morton, along with Grand Lake and Family Health Services have also joined together to offer services to the SMI. To date Morton and Grand Lake have seen over 84 patients in the program. Variety and North Care are also continuing their efforts to see SMI patients for primary care. They have seen 763 patients which produced 2,862 encounters.</p>
