

## About Us . . .

The Okfuskee County Partnership Board has been a part of Turning Point for 6 years.

The Okfuskee Community supports the partnership in all of its activities. In the past the Okfuskee County Partnership has been awarded the Turning Point Community Champion Award. A few activities they have provided over this year are after school programs, Tobacco Prevention SWAT leadership camp, Child Abuse Prevention Day, Drug Prevention, Community Baby Shower

. The Okfuskee Partnership has made huge strides over the past year.

Okfuskee County held its first Community Baby shower in 2013, it was a successful event. Several agencies participated and donated items for expecting moms and families. Several guest in attendance from the surrounding community left with valuable knowledge about reducing infant mortality in Okfuskee County and

throughout the state.

Thank you to Okfuskee County citizens for their devotion and community collaboration over the past several years! We are moving forward!!
