

Saying 'no' to tobacco

Saturday, 09 June 2007

On Thursday, May 31, 19 SWAT, FCA and 4-H students from Pushmataha County came together to celebrate World No Tobacco by holding an event in front of the Antlers Health Department. This year's theme is Smoke Free Environments. The kids sponsored a free car wash from 10 a.m. to 1 p.m. where they washed 38 cars and handed out Quit Kits and air fresheners with messages on the dangers of second-hand smoke in vehicles. SWAT students relayed the message that they believe the tobacco industry uses deceptive practices and targets children from ages 12 years to 18 years old. Sponsored by Pushmataha County Turning Point Coalition and Project S.P.I.T.
