Q.2.1 It specifies an 80# matte semi-gloss text.

I checked with one of our Shop managers, & she says that would be a Velvet or a Silk. (Manufacturers apparently just came up with alternative names for matte semi-gloss.) Would that be an acceptable alternative to use Velvet or Silk?

A.2.1 An equivalent will be ok

Question on "line 6" printing piece – in one spot it's showing a tri-fold but in another it's stating half fold and this piece is showing as a "+ cover" but also as a "self-cover".

Are there two pieces here maybe? One being a trifold with a perf and the other being a booklet that is saddle stitched?

Q.3.1. I've asked one of my vendors & she says that the Corniche Velvet "is history", and apparently has been for awhile.

Is there a different cardstock you'd like to use instead? Clampitt's Crystal Silk line is a good one, as is the Endurance Velvet.

A.3.1. If it's something comparable that would be fine.

5.Q.1. Are they informational-only?

Or do they have any sort of individualization such as sequential numbering or magnetic strips such as for gift cards?

A.5.1. Yes, this is an information-only card

Q.5.2. Do you know the PMS colors' numbers?

Will they be the same 2 colors on both front and back of the cards?

Or 2 PMS colors on one side, and a different 2 PMS colors on the other?

A.5.2 .There are actually two purples (PANTONE 263C & PANTONE Violet C) and a grey color in the design (PANTONE 427C).

That would make the cards 3/3 rather than 2/2.

Q.6.1. Question on "line 6" printing piece – in one spot it's showing a tri-fold but in another it's stating half fold and this piece is showing as a "+ cover" but also as a "self-cover".

Are there two pieces here maybe? One being a trifold with a perf and the other being a booklet that is saddle stitched?

A.6.1. This one is a bit confusing... The pamphlet is folded in half, and the last page, which is also a cover is the trifold page... I can send you a picture would that help?

b. All other terms and conditions remain unchanged.
