

Put a ROVER icon on your Desktop

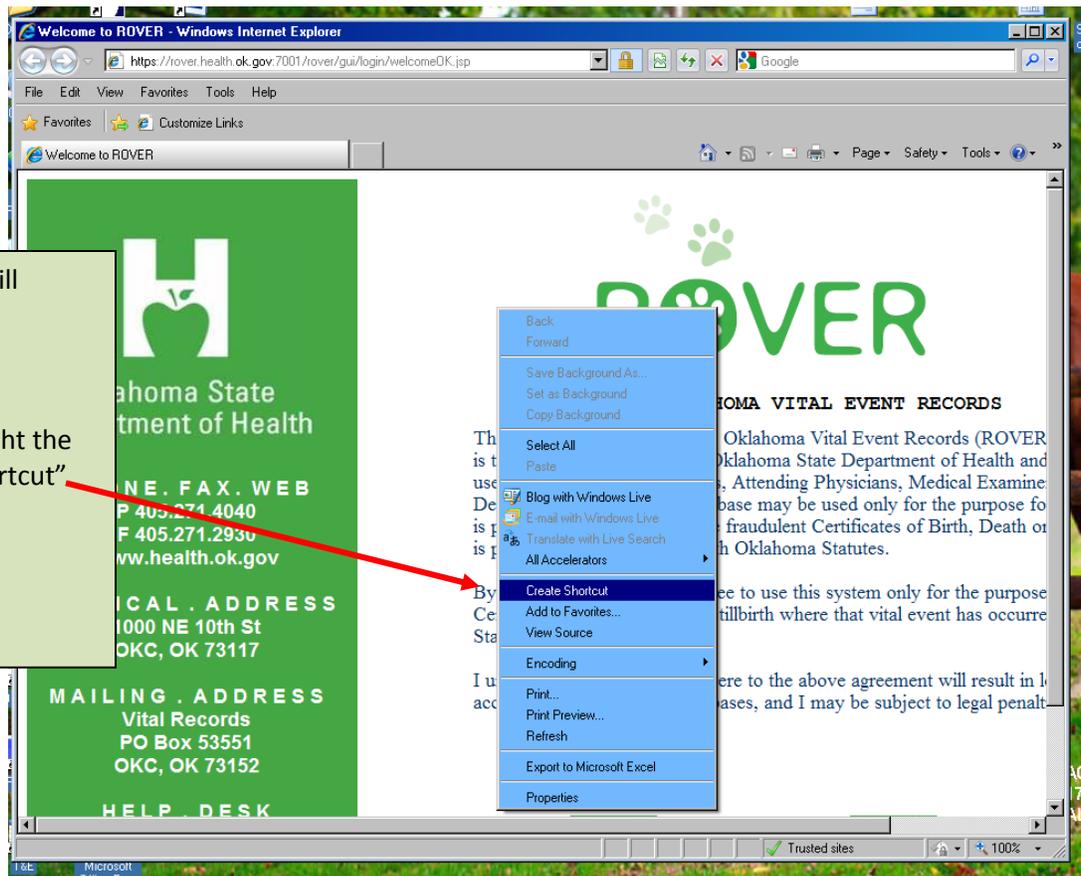

You should be back to your ROVER login screen.

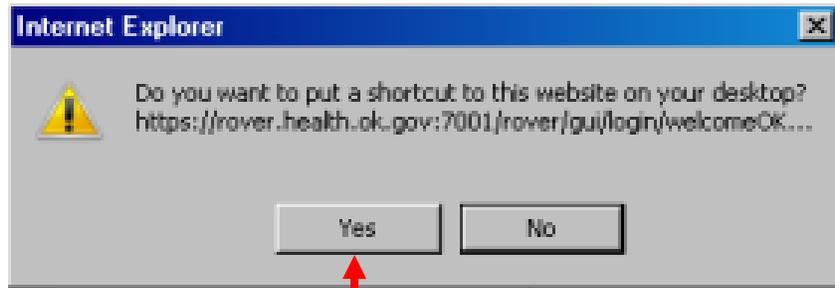

Move your cursor out to somewhere in the white area and **press the RIGHT button on your mouse.**

A drop down menu will appear.

Move down to highlight the selection "Create Shortcut" and click to choose.

Click the "Yes" box

You will be back to your ROVER main login screen.

When you "X" out of ROVER you will have a shortcut icon on your Desktop
