6. TRAUMAFUND MONTHLY DISTRIBUTION	<p>In 2014, OSDH made a concerted effort to move to monthly payments from the Trauma Fund to avoid maintaining an accumulation of funds. Since October, the Trauma Fund has made 6 installment payments to eligible hospital and EMS providers. A 7th installment (March 2015) is to be expected as transition back to the April and October start of each distribution period.</p> <p>An increasing number of providers have moved to electronic fund transfer (EFT) to receive payments. The EFT system does not allow for attachments. As such, distribution statements/invoices are mailed separately as explanation of the payments. Providers are encouraged to use these to reconcile the payments received. Additional guide to help with understanding these statements are being created and will be emailed to the business office contact on record.</p>
