- IV. Approval of Minutes July 1, 2014 – Roll Call vote motion passed.
- V. Business –
 - A. Update on Bylaws postponed till next meeting
 - B. STEMI and Stroke Mike Paston talked about the information that he received from North Carolina and Texas. The information Mike had looks very similar to our Trauma Plan. It was decided that Mike would meet with Dr. Cathey about the information and see if Dr. Cathey could get this information passed onto the Hospital Advisory Group and Stroke Working Group.
It was also discussed that we meet with MMRS and the MERC's so we do not duplicate the process or effort.
