

Adjust your Adobe Reader

CLICK ONE TIME on your “start” button (lower left corner of your screen)

Use the mouse to select “ALL PROGRAMS”. Locate your ADOBE READER and select it.

You will have a grey screen appear.

#1: At the top of the grey box locate “Edit” and open the drop down.

#2: Go to the bottom of the list to “Preferences” and select it.

#3: At the left side of the screen, locate “Internet” and select it.

#4: Under “Web Browser Options” locate the wording “Display PDF in browser”.

#5: If there is a check mark in the box beside this wording, **CLICK** on the box to **REMOVE** the check mark.

CLICK “OK”

Click the red “X” in the top right corner of the grey box.

Your computer has now been properly set up for the ROVER system.
