

Oklahoma State Department of Health  
Creating a State of Health

August 31, 2011

Dear Provider,

### **TRAUMA FUND – SPECIAL REVIEW**

Oklahoma State Department of Health (OSDH) has contracted with **Public Consulting Group, Inc. (PCG)** to conduct a compliance review of the state's Trauma Care Assistance Revolving Fund ("the Fund"). This review is being conducted in accordance with our fiduciary responsibilities as managers of this Fund.

PCG will identify a sample of providers who received reimbursement from the Trauma Fund for care provided from January 1, 2009 to December 31, 2009. A random sample of claims from the selected provider will then be identified for review.

PCG will be reviewing claims submitted for reimbursement from the Fund as uncompensated for their compliance with the requirements contained in *Chapter 669 Trauma Care Assistance Revolving Fund*. A copy of Chapter 669 may be accessed on the Department's website at the following address:

<http://www.ok.gov/health/documents/669-June%202007%20Complete.pdf>

Those providers who have been selected to be part of the audit will receive further communication from PCG regarding the specific claims and the associated documentation that will be necessary to support those claims.

Please be assured that PCG and OSDH have confidentiality agreements in place, and that PCG is authorized to review documentation that includes Protected Health Information during the review. OSDH and PCG take the safety and security of personally identifiable health information very seriously, and will work together to ensure that all appropriate safeguards are in place through the course of this audit.

If you have any questions or comments, please feel free to contact Grace Pelley, Trauma Programs Coordinator at [GraceP@health.ok.gov](mailto:GraceP@health.ok.gov), or by telephone at (405) 271-4027.

Sincerely,

Tom A. Welin, Chief  
Medical Facilities Service
