

**Custer County**  
***Custer County Turning Point***  
Established 2002

**At a Glance**

The Custer County partnership has found itself in a lull. We've always heard that partnerships go through peaks and valleys now we are experiencing it first hand. Currently, we are in the process of "regrouping" and plan to focus our efforts towards teen pregnancy prevention, physical activity and nutrition.

**Key Activities of 2005**

- Identification of Missing Partners

**Priorities of the Partnership**

- Teen Pregnancy Prevention
- Physical Activity and Nutrition

**Partners**

- Custer County Health Department
- Red Rock Area Prevention Resource Center
- Concerned Citizens
