

Pittsburg County
Local Service Coalition (LSC)
Established 2005

At a Glance

The Local Service Coalition of Pittsburg County is a unique partnership of community organizations, agency representatives, interested providers, professionals, and family members committed to improving the quality of life for children and families residing our County. Members consist of organizations, associations, businesses, institutions or individuals with an interest in supporting the mission of LSC to create a healthier Pittsburg County.

Key Activities of 2005

- FOR U
- Resource Directory
- Organizational Structure: Bylaw Development, MOU Development, Membership Application, Membership Recruitment
- Developed a Merger of local independent community coalition(s)/council(s) into one comprehensive Turning Point Coalition entitled Local Service Coalition (LSC) (Systems of Care + Healthy Community Council + Local Service Committee)

Priorities of the Partnership

- To provision of free, core prevention education programs for residents
- Enhancing resident and provider access to all available resources
- Supporting agencies and existing programs in their delivery of services under “best practices” models of service provision
- Supporting all agencies and programs in their efforts to expand service delivery systems to address gaps in service
