

Pontotoc County
Pontotoc County Success by Six and Tuning Point Partnership
Established 2003

At a Glance

Pontotoc County Success by Six has led the way in forming a community wide Turing Point Partnership. Based on a strong Success by Six initiatives, the United Way Board of Directors voted to expand their mission to include a countywide health improvement plan. The community assessment meeting, called "Eggs and Ideas" will provide an opportunity to look at county wide health data and the Success by Six initiative will invite the community to expand to Truing Point Partnerships vision.
