

# Pathways to Health & Westside Community Coalition

## Tulsa County 2008

### Westside Coalition Priorities:

1. Promote the health and safety of West Tulsa residents.
2. Foster cross-generational investment in the community within west Tulsa.
3. Provide support for the continuum of care for substance abuse prevention, treatment and after-care

### Pathways Coalition Visions:

1. Measure improvement in the community's health and quality of life
2. Increased visibility of public health within the community
3. Community advocates for public health and the local public health system
4. Ability to effectively anticipate and manage change
5. And stronger public health infrastructure, partnerships and leadership

### About Us...

The mission of the Westside Community Coalition (WCC) is to enhance the well-being of our population by working collaboratively with the community to conduct and evaluate educational, informational and service efforts in and around west Tulsa. They are currently working a putting an action plan together.

**Pathways to Health** will help improve the quality of life for each resident of Tulsa county by encouraging and building partnerships and developing public health advocates in every neighborhood. They are using the **MAPP process; Mobilizing for Action through Planning and Partnership; A community Tool for Health Improvement.**
