

# Garvin County Turning Point Coalition

Garvin County

2007

## Coalition Priorities:

1. Increase partnership within Garvin County
2. Increase the health and wellness of our community, by providing better access to healthcare.

## About Us...

The Garvin County Turning Point has been up and running for over the past year and has a great group of members from the Garvin County Community. The Garvin County Turning Point has been focusing on increasing our partnership with organizations to improve the effectiveness of the coalition. The City of Lindsay received a grant to fund the South Central Medical and Resource center in Garvin County. The Garvin County Coalition has worked on several community projects. The Coalition is planning to do a needs assessment in Garvin County with in the next year. We are also in planning stages of some exciting projects for the up coming year.
