## About Us...

Harmon County held it's first stakeholders meeting in October. However, a committee has been meeting since early spring to apply for the TSET grant. The community coalition plans to meet on a monthly basis and have already begun identify gaps in services as well as there community assets.

## Key Activities:

- Initial Meeting with key leaders in community
- Partnered with neighboring counties to apply for TSET grant
- Coalition member attended National Tobacco Conference in Minneapolis

## Significant Outcomes:

- ◆ Active, committed group of people meeting on a monthly basis to identify and address their local public health issues
- ◆ Awarded Communities of Excellence grant to address tobacco use.
