## **McIntosh County Community Health Coalition**

### **2004**

- **Activities**

- Eufaula Public Schools received \$178,290 PEP grant.
- Coalition received the Drug Free Community grant for \$500,000.
- Creek Nation implemented the Move It program in 4 schools in the county in conjunction with Walk This Weigh.
- 450 Thanksgiving dinners will be prepared this Thanksgiving.
- Participated in Whole Hog day with a walking event.
- Coordinated the Family Fun Zone at the 4<sup>th</sup> of July celebration.

- **Outcomes**

- The coalition has spent most of the year creating a strategic plan, updating mission and bylaws and converting to policy governance. This is vital to the continued growth of the coalition.
- The McIntosh Youth and Family Education Center is also in the process of reviewing its strategic plan in hopes of acquiring land and grant money to build a new facility.
- Completed the CHEP process with OSU.
- SWAT activities are in 4 schools and continue to grow.

- **Future Activities**

- Continue activities of the coalition and enhance current programming.
- Create Youth Advisory Councils and establish a work plan as per the guidelines of the Drug Free grant.
- Continue to grow Walk This Weigh activities.
- Open discussion in regards to the two coalitions working better together in order to eliminate duplication and volunteer burnout.
