

**TURNING POINT INITIATIVE
COMMUNITY REPORT OF PARTNERSHIP ACTIVITIES**

November 2002

MUSKOGEE COUNTY

- 2002 Activities
 - Muskogee High School Media teacher coordinated the production of a Meth video regarding the meth problem and how it affects Muskogee County through a series of interviews with community leaders and law enforcement. The video also includes a vignette of two teenagers involved with meth and the problems it causes in their lives.
 - Members of the Healthy Lifestyles subcommittee made several presentations throughout the year to various community groups regarding tobacco prevention.
 - The Access to Health Care subcommittee completed the Resource Guide that was printed by the local newspaper and sponsored by Muskogee Regional Medical Center.

- Outcomes
 - Distribution of the Resource Guide was expansive.

- Future Plans
 - The Muskogee Regional Medical Center's Speakers Bureau will use the meth video for presentations to various community groups.
 - Secure a Chair for the Healthy Lifestyles subcommittee.
 - Continued recruitment of partnership members

- Participants
