Crystal Darkness Awareness in Atoka County

Atoka/Coal County Partnership for Change Methamphetamine Initiative Subcommittee and the Atoka PTA are presenting an educational and informational event tonight.

Atoka/Coal County Partnership for Change Methamphetamine Initiative Subcommittee and the Atoka PTA are presenting an educational and informational event tonight for parents, grandparents raising grandchildren, guardians, and all others who are interested in attending.

This is open to all those in Atoka/Coal County including Daisy, Stringtown, Victory Life Academy, Harmony, Farris, Lane, Coalgate, Caney, Cottonwood . Summer break is almost here and we want to provide information that will help as it is unfortunately necessary to be more cautious and vigilant when raising children these days.

We have invited organizations that can provide their children with activities for the Summer including OSU Extension 4H office, Girl Scouts, Choctaw Nation Youth Advisory Board, SWAT—Students Working Against Tobacco, SOSU—kids at college as well as theater classes.

Monday, May 11

Atoka Cafetorium

6:30 pm (doors open at 6:00 pm)
