Blanchard to open 'The Zone' for community and area teens

The Blanchard Community Coalition, A Turning Point Partnership, and the New Life Church are proud to announce the opening of "The Zone" community teen center on Friday, October 31st. The teen center is located behind the Burrito Grill at 3rd & Madison. The event will be held from 7pm-midnight for middle school and high school youth in Blanchard and all surrounding areas. Activities will include "Promises Revolt" live band playing, a dance contest, costume contest, pool tables, air hockey, and video games. The first 100 people in the door will receive a free drink, hot dog, and refreshments, so get there early!

We will also be giving away door prizes throughout the night, which include an ipod, tent, DVD player w/ remote, itunes gift cards, a skateboard, and much more.

The Blanchard Community Coalition and New Life church would like to say a big thank you to the Nu Chi women's sorority in Blanchard, Legacy Bank, NAIC, and Blanchard Laundry & Cleaners for making this teen center a success!
