*The only Local (State) requirement CE's are the TIMs course and the OTEP training provided by your RTAB representative. These courses will only need to be completed once. EMS individuals expiring in 2017 will need to complete TIMS and OTEP by 2019. EMS individuals expiring in 2018 will need to complete TIMS and OTEP by 2018. Besides these requirements, all other CE's may be designated by your agency and may include CE's an individual has taken independently.
