

Oklahoma Office of Homeland Security

NIMS/ICS INSTRUCTOR WORKSHOP

July 16, 2013 Tulsa

October 24, 2013 Lawton

Course Overview:

The National Incident Management System (NIMS)/Incident Command System (ICS) Instructor Workshop will provide a variety of topics concerning the delivery of NIMS/ICS courses in the state of Oklahoma. OKOHS personnel will discuss who is eligible to teach ICS courses. Also, information will be given concerning the revised ICS 100-400 curriculum changes in course minimum hours and additional requirements for certification as an approved Oklahoma NIMS/ICS Instructor. Oklahoma ICS/NIMS Instructors who have not attended a workshop since April 2011 are invited to attend.

Prerequisites:

To be able to attend, participant must be an OKOHS NIMS/ICS instructor or want to become an instructor and have completed a NIMS/ICS TtT for one or more courses.

Participant Audience:

NIMS/ICS Instructors or candidates training to become an instructor.

Dates:

There are two different course sessions available:

Session 1: July 16, 2013; Session 2: October 24, 2013
