### **Lt. Governor Askins Comments On Passing of Wayman Tisdale**

OKLAHOMA CITY -- "Wayman was a true Oklahoma ambassador and his love for the state was unmatched. As an NBA star he traveled the country but still returned home to raise his family. An accomplished musician, father, and husband, Wayman was one-of-a-kind.

Serving on the State Tourism Commission, he was an incredible advocate for Oklahoma. He wanted the best for the Sooner State and he consistently gave back as an active member of the Commission. His contributions will be celebrated and his presence will be missed.

Oklahoma has lost a favorite son today."
