Guest Panel Topics and Descriptions

Extra, Extra, #Tweet All About It: The Changing Media Landscape

Interested in the inner-workings of Oklahoma media outlets? *Extra, Extra, #Tweet All About It* will share the latest trends and developments of traditional and social media with a panel made up of local Tulsans. Panelists include experienced journalists from respected publications such as the Tulsa World, This Land Press, News on 6 and Tulsa People.

Starting Up and Kicking Off: Entrepreneurial Tips

Working on a business plan? *The Starting Up and Kicking Off* panel is just for you. Hear local, successful business owners shed light on the struggles and victories of owning your own business and gain insight into the field of entrepreneurship.

Donkeys, Elephants and Independents: Political Action for the Young Professional

Stay active in the political arena by attending the *Donkeys, Elephants and Independents* panel. Hear from city and state officials on their local and statewide plans and goals. Guests will hear active, prominent politicians of Tulsa discuss their stance on issues and their involvement in politics.

Looking Beyond Business Cards and Hand Shakes: Networking 101

It's been said that success is about who you know, not what you know. Perfect your networking skills at the *Looking Beyond Business Cards and Hand Shakes* panel as business pros from the Tulsa area share their experience and expertise.
