

MARY ANN PRITCHARD
DIRECTOR

MARY FALLIN
GOVERNOR

STATE OF OKLAHOMA
DEPARTMENT OF MINES

March 30, 2015

**Announcement and Invitation to Attend
Pre-Permit Informational Meeting
Love Coal, LLC
Shady Point Underground Coal Mine**

The Oklahoma Department of Mines will hold a pre-permit informational meeting for the public concerning a permit application submitted by Love Coal Company. This underground permit application is currently under review. During the meeting a short presentation will be made by the permittee and the public may ask questions about the application.

The proposed permit application is on file for public review at the LeFlore County Clerk's Office, Poteau, Oklahoma. A copy of the application will also be available for viewing during this public meeting.

You are receiving this mailing because our records show that you are one of the following: landowner, adjacent landowner, coal royalty owner, mining company representative, or governmental agency.

The public meeting will be held on **April 21, 2015, from 5:00 P.M. to 7:00 P.M.** at the

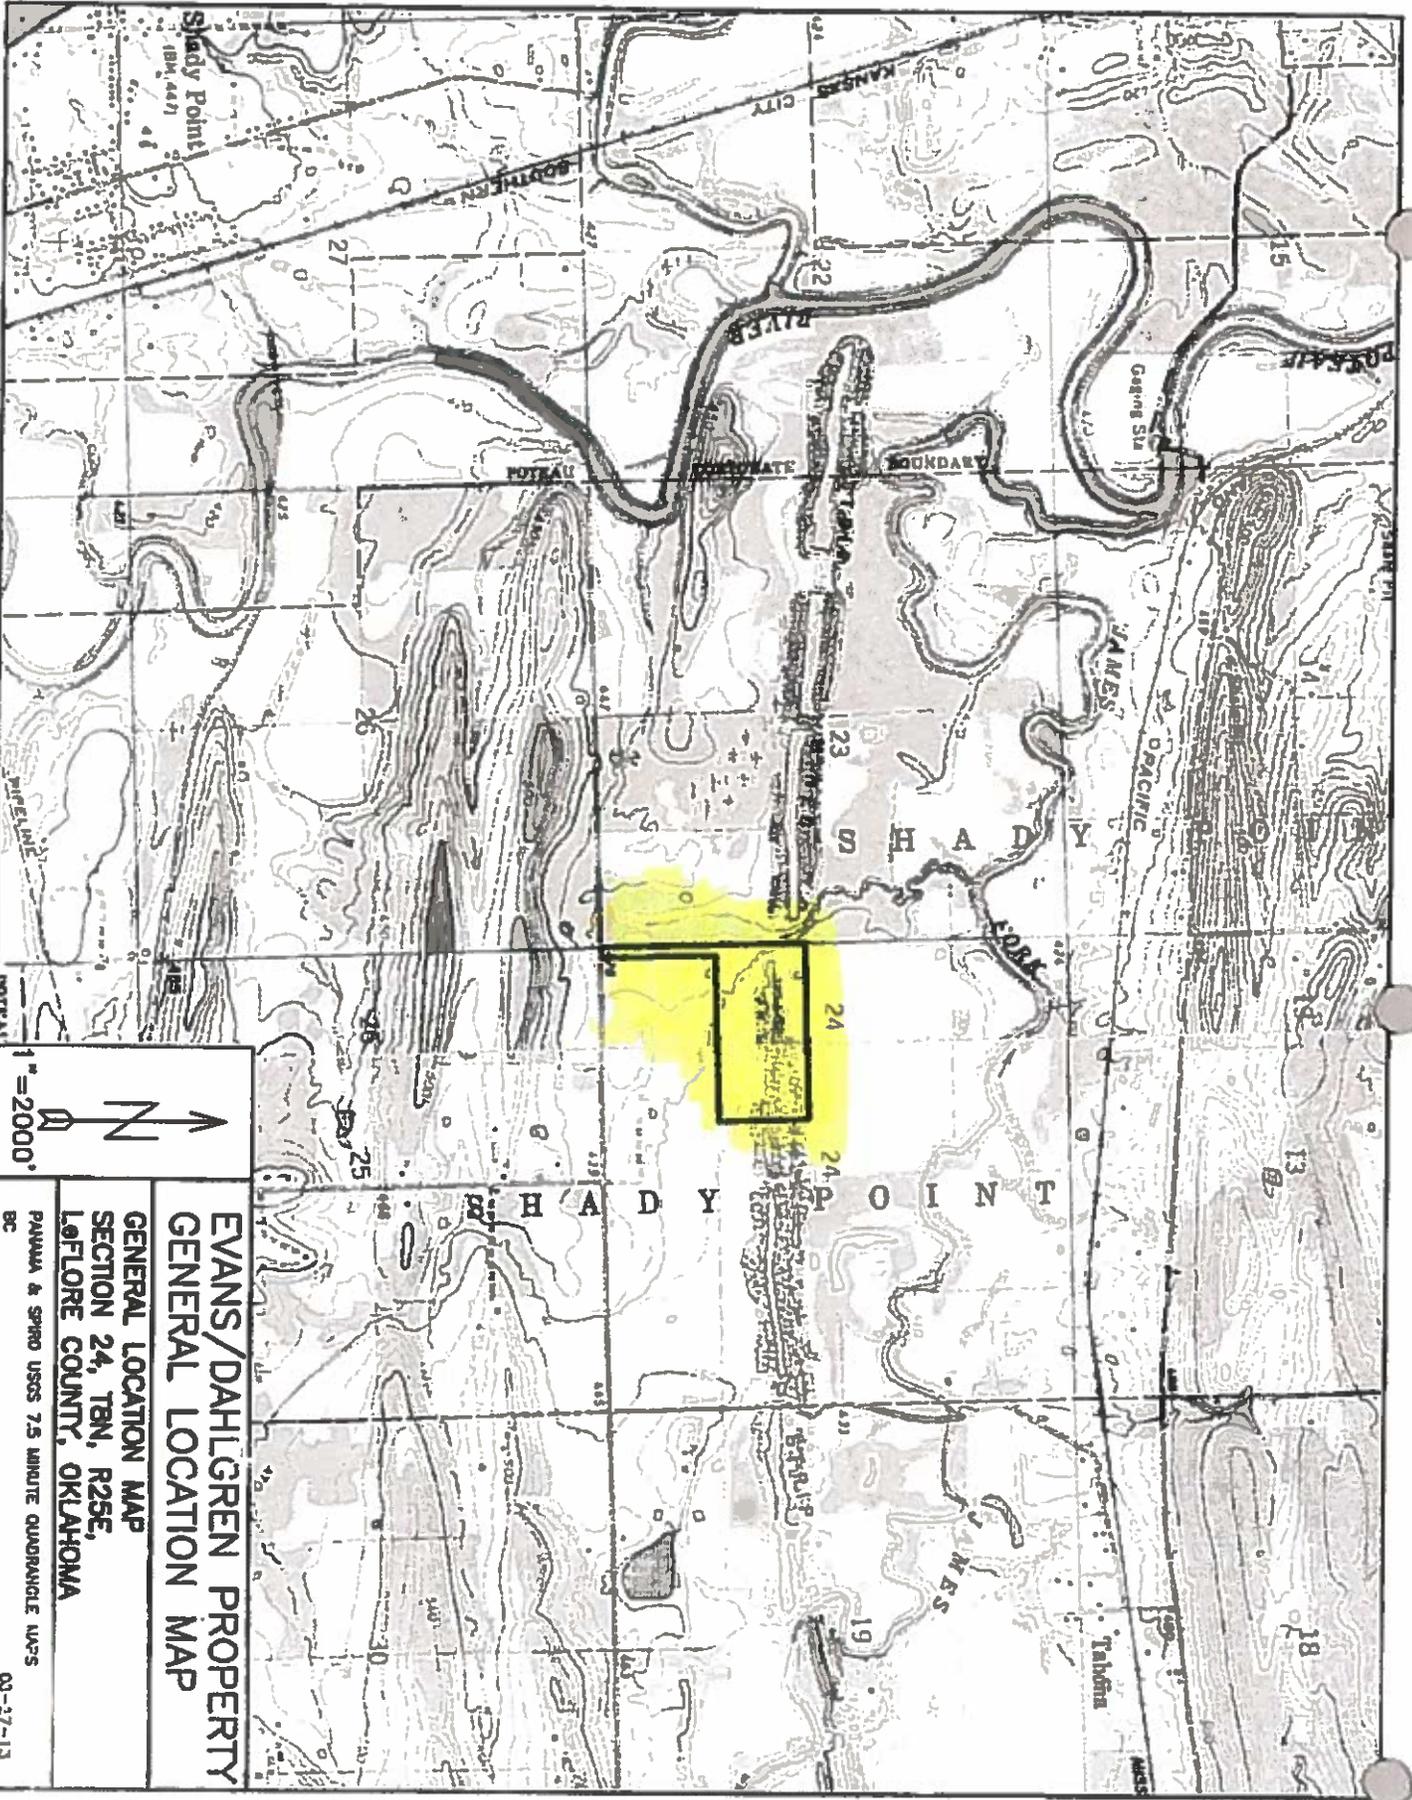

Kiamichi Technology Safety Center
1509 S. McKenna,
Poteau, OK

Proposed Permit Location:

Shady Point Mine - 49 acres in the SW 1/4, Section 23, T8N, R25E, Leflore County, Oklahoma

Please see map below this notice showing the intended location of the proposed mine.

If you have questions, please contact the Oklahoma Department of Mines Wagoner Field Office at 918-485-3999.
