**NON-COAL QUARTERLY REPORT**

**Section 931**

- A. All operators of coal mining operations shall pay to the Department of Mines a fee of seven and one-half cents (\$.075) per ton of coal produced.
- B. All operators of non-coal mining operations shall pay to the Department of Mines a fee of **one cent (\$.01) per ton** of mineral produced. For the purposes of this section, a mineral shall be defined as provided in Section 723 (4) of Title 45.
- C. **The fee imposed by this section shall be paid no later than thirty (30) days after the end of each calendar quarter** beginning the first calendar quarter after June 30, 1982.
- D. The Department shall develop and promulgate a report form, which shall be as similar as possible to the form required of operators by the federal law, and which shall state the amount of coal or mineral produced during the calendar quarter, the method of coal or mineral removal, and the type of coal or mineral. The operator shall swear to the accuracy of the report before a notary public, who shall duly notarize the report.
- E. All fees collected by the Department of Mines pursuant to this section shall be deposited with the State Treasurer, who shall credit them to the Department of Mines Revolving Fund. **(Make checks payable to Oklahoma Department of Mines)**

**Section 932**

A. Any operator who shall fail or refuse to file such quarterly report and pay his fees within the time and in the manner prescribed by law shall be deemed delinquent and a penalty of ten percent (10%) shall be added to the amount of fees actually due for said period.
