

# Safety-Gram

## Title 45, Chapter 11

September 2012

Volume 13, Number 9

### PERSONAL PROTECTION

Section 917.2 – All persons shall wear suitable hard hats when in or around mine plants or active workings of the mine.

Protect your thoughts, **WEAR A HARD HAT!**

Section 917.3 – All persons must wear suitable protective footwear when in or around mine plants or active workings of the mine.

Take a step in the right direction, **WEAR FOOT PROTECTION!**

Section 917.4 – All persons shall wear safety glasses, goggles or face shields when doing work hazardous to the eyes.

Foresight is better than **NO SIGHT!**

Section 917.12 – Effective hearing protection shall be worn where noise levels may cause permanent ear damage or hearing loss unless the wearing of the protective devices would create a greater danger to the employee. In such case the noise shall be reduced to safe levels.

Hearing Protection is a **SOUND INVESTMENT!**
