

## Non-Coal Mining Applications Authorized for Publication

This notification is only provided to inform the public that applications are in the publication phase of permitting and not as an official Public Notice as required by law. The Oklahoma Department of Mines merely informs the applicant that it is time to publish and does not control the exact dates of publication or the exact newspaper utilized by the Applicant. Applications are not approved or denied until all phases of the publication process are complete. This listing does not constitute a permit approval or denial. A copy of the proposed permit application is available for public review as disclosed in the publication notice.
