List the reason for which the exemption is requested: *(Attach additional sheets if needed.)*

The applicant understands this exemption is only granted for one year. Two months prior to expiration of the one-year exemption, the applicant must reapply with the City Clerk to be considered for an additional one-year exemption. The exemption allows the applicant to pay a User's Fee in lieu of hook-up to the public sanitary sewer system. The applicant must comply with all applicable requirements of the City of Nicoma Park to be considered for the exemption. The applicant understands this exemption can be revoked at any time if a health hazard is presented.
