- Fiscal year 2017 Budget Work Program

Discussion took place among the Board. Member Ley inquired as to whether the budget was flat in regards to personnel cost. Executive Director Ross confirmed that it was.

Member Cunningham inquired about the financial statements in comparison with the budget work program. She was concerned that the financial statements didn't provide a detailed enough account of expenses and requested that a quarterly report be provided to the Board that includes a comprehensive breakdown.

Motion by Manning that the Board approves the fiscal year 2017 Budget Work Program as presented. Second by Greenwell.

Affirmative Votes: Engelbach, Greenwell, Ley, Delametter, Sanner, Cunningham, and Manning.

Agenda Item #7 – Discussion and possible action on 2015 annual Peer Review Oversight Committee Report: Deputy Director Autin presented the annual PROC report to the Board. Member Sanner inquired as to the possible reason Oklahoma had a better result on engagement reviews than the national averages. Member Ley stated

2017.

that engagement reviews frequently are performed for firms with compilations as the highest level of accounting service. Since Oklahoma firms that perform compilations as the highest level of service are not required to have a peer review if the continuing education requirements for compilations are met, many Oklahoma firms do not have an engagement peer review. Many Oklahoma firms having engagement reviews, most likely are doing so because members of the AICPA are required to practice in a firm that undergoes peer review. Therefore, not all firms in Oklahoma undergo engagement reviews and those that do may be more active in the profession and may be doing a better job than the average firm.

Motion by Sanner that the Board accept the 2015 annual PROC report. Second by Manning.

Affirmative Votes: Engelbach, Greenwell, Ley, Delametter, Sanner, Cunningham, and Manning.

Agenda Item #8 – Discussion and possible action on request from William Rogers Abbott II, Certificate #1702-Revoked, to waive registration and lapse late fees: [Deferred to May meeting]

Agenda Item #9 – Discussion and possible action on the AICPA Enhancement Audit Quality initiative: Executive Director Ross informed the Board that the AICPA is currently discussing potential long-term changes to peer review administration through the Enhancing Audit Quality initiative. They are proposing a decrease in the number of peer review administering entities to approximately eight to ten with each one capable of administering around 1,000 peer reviews a year. The belief is that the proposed changes will increase the quality and effectiveness of peer reviews.

Chair Engelbach and Member Ley expressed their belief that Oklahoma's current peer review process was working and produced quality results. A lengthy discussion took place among the Board. No action was taken at this time and the Board will continue to monitor this endeavor.

Agenda Item #10 – Discussion and possible action to support nominations for the 2016-2017 National Association of State Boards of Accountancy officer positions and committees: Member Engelbach directed the Board to the Texas State Board of Public Accountancy's nomination letter of Janice L. Gray for 2016 – 2017 NASBA Vice Chair. Executive Director Ross informed the Board of the Oklahoma Accountancy Board's intention to send a letter of support.

Motion by Delametter that the Board approve the OAB's letter in support of Janice L. Gray as NASBA's 2016 – 2017 Vice Chair. Second by Manning.

Affirmative Votes: Engelbach, Ley, Greenwell, Delametter, Sanner, Cunningham, and Manning.

Agenda Item #11 – Discussion and possible action on the AICPA’s new Chartered Global Management Accountant designation: Executive Director Ross informed the Board of the AICPA’s intention to issue the designation of Chartered Global Management Accountant (CGMA) to qualified non-CPAs beginning in 2018. Members of the Board expressed concern that granting this designation to non-CPAs would confuse the public and lead them to believe that an accountant with the CGMA

designation is the same as a CPA. This notion is further supported by the fact that the designation would be issued by the AICPA. The AICPA acronym represents the American Institute of Certified Public Accountants, which suggests that someone being a member of the AICPA is, in fact, a CPA. There is also concern that the designation itself is in direct conflict with Section 15.11.E of the Oklahoma Accountancy Act in regards to the use of the protected term “chartered accountant”.

ED Ross stated that there are numerous Executive Directors from Boards in other jurisdictions who are opposed to this initiative and have issued a letter to Ken Bishop. A lengthy discussion took place among the Board. No action was taken at this time.

Agenda Item #12 – Discussion and possible action on the AICPA study regarding the CPA candidate pipeline: Executive Director Ross briefly informed the Board of the efforts by the AICPA, OAB and other Boards to encourage students to sit for the CPA examination.

Agenda Item #13 – Discussion and possible action on report from the Outreach Committee:

- Oklahoma Accountancy Board presentation on the Uniform CPA Examination
