#### **Case No. 1933 – Revoked CPA**

This case was opened back in 2012 after the Respondent plead guilty to embezzlement. The Respondent's certificate was automatically revoked for failure to register about the same time; however, the Enforcement Committee moved to start the process to revoke the Respondent's certificate for cause by sending an ACO offer. Respondent did not respond to the offer due to being incarcerated; therefore, a formal

2396.

complaint was filed informing the Respondent that a hearing would be set upon Respondent's release from prison. Respondent is still incarcerated. However, with the new "disqualifying crimes" provision of our rules, Respondent no longer qualifies for reinstatement without Board approval. Because there is no longer a reason to keep this enforcement matter open, the Enforcement Committee recommends the case be dismissed.

#### **FILES TO CLOSE:**

##### **File No. 2498 – Cancelled CPA**

This file is the result of a referral from the CPE Coordinator. The registrant had been claiming an "inactive" exemption to CPE for many years; however, there was not a CPE exemption affidavit on file. The CPE Coordinator requested the signed affidavit but it was never received, so the matter was referred to enforcement. The registrant then requested the cancellation of the registrant's CPA certificate. The Enforcement Committee recommends that the file be closed.

##### **File No. 2506 – CPA**

This file is the result of a complaint alleging various misconduct by the registrant. The Enforcement Committee did not find sufficient evidence of a violation of the Act or Board Rules; therefore it recommends that the file be closed.

#### **OAB Records Summary**

CPE Status: Registrant is in compliance. Registrant reported 23 hours for 2016 (includes 0 hours ethics); 50 hours for 2017 (includes 4 hours ethics); and 50 hours for 2018 (includes 4 hours ethics).  
Peer Review Status: N/A.

##### **File No. 2507 – CPA**

This file is the result of a complaint alleging the registrant took the complainant's retainer, but never delivered the work. The complainant later rescinded the complaint explaining that the issue had been resolved. Therefore, the Enforcement Committee recommends that the file be closed.

#### **OAB Records Summary**

CPE Status: Registrant is in compliance. Registrant reported 42 hours for 2016 (includes 4 hours ethics); 42 hours for 2017 (includes 4 hours ethics); and 40 hours for 2018 (includes 4 hours ethics).  
Peer Review Status: N/A.

##### **File No. 2520 – CPA**

This file is the result of a referral from the CPE Coordinator that the registrant was eight hours short of the 120-hour minimum CPE requirement for compliance period 2016-2018. The registrant submitted documentation of a death in the immediate family during

2018; therefore the Enforcement Committee recommends that the registrant be allowed to apply hours back to the shortage and that the file be closed.

#### **OAB Records Summary**

CPE Status: Registrant is not in compliance. Registrant reported 40 hours for 2016 (includes 4 hours ethics); 40 hours for 2017 (includes 0 hours ethics); and 32 hours for 2018 (includes 4 hours ethics).

Peer Review Status: N/A.

#### **File No. 2523 – CPA**

This file is the result of the registrant being 27 hours short of the 120-hour minimum CPE requirement for 2016-2018. The registrant misreported hours and has submitted sufficient documentation to bring the period back into compliance. The Enforcement Committee recommends that the file be closed.

#### **OAB Records Summary**

CPE Status: Registrant is in compliance after adjustment. Registrant reported 30 hours for 2016 (includes 0 hours ethics); 41.5 hours for 2017 (includes 4 hours ethics); and 50 hours for 2018 (includes 0 hours ethics).
