OKLAHOMA ACCOUNTANCY BOARD (“OAB”)
QUALIFICATION INSTRUCTIONS AND APPLICATION

Prior to completing the qualification application and submitting the OAB, we suggest that you download the “Eligibility Checklist” located on our website and do a preliminary check to verify that you have the required education.

INFORMATION FOR ALL APPLICANTS

Citations refer to the Oklahoma Accountancy Act (“Act”) and the Oklahoma Administrative Code (“Code”), which are available on the OAB’s website.

Eligibility to Apply: All educational requirements to qualify must be met at the time the application is filed with the OAB. The OAB cannot waive any of the eligibility requirements.

Applicants may be asked to substantiate to the satisfaction of the OAB that they are residents of Oklahoma as required by Section 15.8.A of the Act. Former or future residence in the State of Oklahoma is not considered.

Citizenship is not required. However, state law mandates that the OAB establish that you are legally in the United States. If you are not, we will be unable to process your application.

All applicants submitting a qualification application must also submit the notarized affidavit form showing proof of lawful residence inside the United States. This form is contained within the application.

Qualification Fees: A $75 non-refundable application fee (Title 59, Section 15.8.A) is required with the qualification application. Do not submit the examination application at the same time as the qualification application. It will be sent back if included with this application.

Criminal History Search: The Oklahoma Accountancy Board will perform a criminal history background search through the Oklahoma State Bureau of Investigation for all qualification applicants. The applicant is responsible for the $15 cost of the background check.

Total Cost Due: The total cost due when submitting the Qualification Application is $90. This can be paid through cash, check or money order. Please make the check or money order payable to the OAB.

Notification of Eligibility: You will receive the approval or denial letter via email. This email will contain additional pertinent information regarding the examination process. Please read all of the information.

EDUCATION

eScrips: Must be sent directly from the University to the Examination Coordinator at the OAB office in order to be official.

Official Transcript(s): Transcript(s) must bear the official signature of the registrar and, if applicable, seal of the college. Do not have the university or college send transcripts directly to the OAB office. Official transcript(s) must be received with the application and do not have to remain in the sealed envelope.

CPA QUALIFICATION APPLICANT: You must submit sufficient official transcripts to reflect:

(1) a minimum of 150 semester hours of college education including a baccalaureate or higher degree.

(2) a minimum of 76 semester hours of upper-division level course credit;

(3) a minimum of 30 semester hours of accounting course credits above principles of accounting or introductory accounting, including at least one auditing or assurance course (not internal auditing); and
(4) a minimum of 9 semester hours of upper division-level related course credit in any or all of the subjects of economics, statistics, finance, marketing, management, business law, business communication, financial information systems and computer science.

Graduate Level Accounting Courses: Graduate level Financial and Managerial Accounting only, do not count toward the required 30 semester hours of accounting if they are equivalent to undergraduate principles.

Each Course Needed To Qualify Must Be Individually Listed On An Official Transcript. If you attended more than one college or university, you must furnish an official transcript from each college to establish your eligibility.

ATTENTION: Western Governor’s University transcripts must be submitted with a detailed breakdown of competency units from the university.

Computer Science, Financial Information Systems and Business Law Courses: When you compute accounting course credits needed to qualify, the classification of the course on the official transcript will determine whether a course is an accounting course or a business related course. In instances where the college classifies all courses, including accounting courses, as "BUS," the decision of whether any course is accounting or business related will be made based on a detailed listing of the accounting curriculum. You may be asked to furnish such listing from that particular college for the period when the course was taken, a course syllabus and possibly class-related information.

Repeated Courses: If you repeated a course or took one that is equivalent to the same course at another college, the OAB will count the course the first time you earned credit.

Quarter-Hour Credits: When using a two-thirds conversion to convert quarter hours earned into semester hour credit the OAB does not round up course credit.

Credit for CPA Review Courses: A CPA review course may be counted for credit toward eligibility only if such a course is reflected on an official transcript as college credit from an accredited college or university.

Education Outside the United States: If all or part of your education toward your eligibility was from a college outside the United States, it will be necessary to have your education evaluated by NASBA International Evaluation Services (NIES). NIES will charge you a fee for the evaluation, and it can take two to three months for some evaluations to be complete. Your application will be considered incomplete and cannot be processed if the evaluation is not included. You may visit our website at www.ok.gov/oab under Examination, Foreign Education Information, for details regarding NIES.
