## Information for Uniformed Service Members

The Oklahoma Accountancy Board and staff wish to express our gratitude and concern for our candidates who are members of the military. The Board's rules make provisions for military members to request extensions of their candidacy based on activation or deployments. Candidates needing to request an extension should contact the Board in writing and include a copy of the orders that necessitate the extension. Within 60 days of discharge from active duty or return from deployment the Board should be notified, again in writing, with a copy of the discharge orders.

The thoughts and hearts of our Board members and staff are with you.
