

**TITLE 475. OKLAHOMA STATE BUREAU OF NARCOTICS AND DANGEROUS
DRUGS CONTROL
CHAPTER 25. RECORDS AND REPORTS OF REGISTRANTS**

475:25-1-7. Biennial inventory date [AMENDED]

Every two (2) years following the date on which the initial inventory is taken by a registrant pursuant to ~~475:25-1-6~~, the registrant shall take a new inventory of all stocks of controlled dangerous substances on hand. The biennial inventory may be taken:

(1) on the day of the year on which the initial inventory was taken; or

(2) on the registrant's regular general physical inventory date, as long as the date chosen does not exceed two (2) years from the last inventory date.

475:25-1-9. Inventories of manufacturers [AMENDED]

Inventories of manufacturers of controlled dangerous substances shall conform to Title 21 Code of Federal Regulations, §~~1304.15~~1304.11.

475:25-1-10. Inventories of distributors [AMENDED]

Each person registered or otherwise authorized to distribute controlled dangerous substances shall include in his/her inventory the same information required of a manufacturer pursuant to Title 21 Code of Federal Regulations, §~~1304.16~~1304.11.

475:25-1-12. Inventories of scientific analyst [AMENDED]

Inventories of each person registered or otherwise authorized to conduct scientific analysis with controlled dangerous substances shall conform to Title 21 Code of Federal Regulations, §~~1304.27~~1304.11.
