DRUGS CONTROL
CHAPTER 50. ANIMAL CONTROL OFFICERS**

475:50-1-4. Special Conditions on Ordering Controlled Substances [AMENDED]

(a) Animal control officers, although allowed to order controlled substances, shall only be permitted to do so on official city, county, state, or federal purchase orders or through credit card transactions on government-issued credit cards, and all orders shall be shipped only to the city, county, state, or federal facility. Under no circumstances shall an animal control officer be allowed to order controlled dangerous substances and cause them to be shipped to a residence, post office box (unless exempted by OBNDDC), or any other location except the official government location. The animal control officer ordering controlled substances shall not also be the direct receiver of the controlled substances, but shall arrange to have the controlled substances delivered to their supervisor or other person in their chain of command

(b) Animal control officers are subject to any other restrictions, procedures, or policies established by their employing cities, counties, or the state that are not in direct conflict with the state law statute or OBNDDC regulations. ~~(John, this is suggested for those governments that want to create tougher guidelines if they deem necessary).~~
