

**TITLE 475. OKLAHOMA STATE BUREAU OF NARCOTICS AND DANGEROUS
DRUGS CONTROL
CHAPTER 30. LABELING REQUIREMENTS**

475:30-1-11. Refilling of prescriptions

(a) No prescription for a controlled dangerous substance in Schedules III or IV shall be filled or refilled more than six (6) months after the date such prescription was issued, and no such prescription authorized to be refilled may be refilled more than five (5) times. Each refilling of a prescription shall be maintained by the pharmacy, which indicated by the number of the prescription the following information: the name and dosage form of the controlled dangerous substance; the date of each refilling; the quantity dispensed; the identity or initials of the dispensing pharmacist in each refilling; and the total number of refills for that prescription. If the pharmacist merely initials and dates the back of the prescription, he/she shall be deemed to have dispensed a refill for the full face amount of the prescription. Additional quantities of controlled dangerous substances listed in Schedule III or IV may only be authorized by a prescribing practitioner through issuance of a new and separate prescription. Refills shall not be obtained at the same time as the initial filling of the prescription and only one (1) refill shall be obtained at any one time. A new prescription for a specific CDS voids any existing refills or other prescriptions for the same drug.

(b) A pharmacy registrant may elect to use an automated data processing system to maintain prescription files; however, if such a system is used, there must also be written files kept which meet the requirements of Title 59 Okl.St. Ann. § 353.20, OAC 535:15-3-21 and 21 CFR § 1306.22.

(c) Prescriptions for hydrocodone containing products may not be refilled.

475:30-1-12. Partial filling of Schedules III, IV and V prescriptions

The partial filling of a prescription for a controlled dangerous substance listed in Schedules III, IV or V is permissible; PROVIDED that:

(1) Each partial filling is recorded in the same manner as a refilling.

(2) The total quantity dispensed in all partial fillings does not exceed the total quantity prescribed.

(3) No dispensing occurs after six (6) months after the date on which the prescription was issued.

(4) Prescriptions for hydrocodone containing products are partially filled pursuant to 475:30-1-7.
