The Oklahoma Missing Persons Day 2016 is being held at the University of Central Oklahoma in Edmond, OK on the 11th June, 2016. This event is a great opportunity for families & friends of missing persons to connect with each other. Experts will be present to assist families with registering their family member's case into NamUs database and to collect DNA reference samples from family members for processing and entry into NamUs. Attendees will also hear from and talk with professionals who are actively involved in investigation and recovery efforts for missing persons within Oklahoma and across the nation.

****PLEASE RSVP**for this event so that we can better prepare for all attendees. RSVPs can be sent by phone or email to the OSBI Victims Support Program:**
