Special Note:

The following is a list of jobs from the US Government in Oklahoma specifically targeted to individuals with a disability. Schedule A is a special hiring authority used by federal agencies, in order to hire individuals with disabilities noncompetitively. What this means is that federal agencies are not required to post a position competitively, in order to hire a person with a disability who has a Schedule A letter. A Schedule A Letter is at the end of this listing. Call us if you have a question.
