SUBCHAPTER 1. GENERAL PROVISIONS

450:18-1-1. Purpose
This chapter sets forth the standards and criteria used in the certification of facilities and organizations providing treatment services for consumers with substance-related and addictive disorders and implements 43A O.S. §§ 3-403, 3-415, 3-416, 3-417, 3-417.1, 3-601, 3-602 and 3-603. The rules regarding the certification processes, including, but not limited to, the application process, fees, and administrative sanctions are found in OAC 450:1, Subchapters 5 and 9.

450:18-1-2. Definitions
The following words or terms, when used in this chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Acute intoxication or withdrawal potential" means one dimension to be considered in consumer placement, continued stay, and discharge and is an evaluation of the consumer’s withdrawal patterns and current level of intoxication and potential for withdrawal complications as it impacts level of care decision making.

"Admission" means the acceptance of a consumer by a treatment program to receive services at that program.

"Admission criteria" means those criteria which shall be met for admission of a consumer for services.

"Adult" means any individual eighteen (18) years of age or older.

"ASAM" means the American Society of Addiction Medicine.

"ASAM levels of care" means the different options for treatment as described in the current edition of the ASAM criteria that vary according to the intensity of the services offered. Each treatment option is a level of care.

"ASAM criteria" or means the most current edition of the American Society of Addiction Medicine’s published criteria for admission to treatment, continued services, and discharge.

"Assessment" means those procedures by which a program provides an on-going evaluation process with the consumer as outlined in applicable rules throughout OAC 450 to collect pertinent information needed as prescribed in applicable rules and statutes to determine courses of actions or services to be provided on behalf of the consumer. Assessment may be synonymous with the term evaluation.

"Behavioral health services" means a wide range of diagnostic, therapeutic, and rehabilitative services used in the treatment of mental illness, substance use disorders, and co-occurring disorders.

"Biomedical condition and complications" means one dimension to be considered in placement, continued stay, and discharge and is an evaluation of the consumer’s current physical condition and history of medical and physical functioning as it impacts level of care decision making.

"Biopsychosocial assessment" means face-to-face interviews conducted by a qualified service provider designed to elicit historical and current information regarding the behaviors, experiences, and support systems of a consumer, and identify the
consumer’s strengths, needs, abilities, and preferences for the purpose of guiding the consumer’s recovery plan.

"Case management services" means planned referral, linkage, monitoring, support, and advocacy provided in partnership with a consumer to assist that consumer with self-sufficiency and community tenure and take place in the individual’s home, in the community, or in the facility, in accordance with a service plan developed with and approved by the consumer and qualified staff.

"Certified Gambling Addiction Treatment" or "CGAT" means programs certified by ODMHSAS to provide treatment to individuals diagnosed with a gambling disorder.

"Child" or "Children" means any individuals under eighteen (18) years of age.

"Client" See "Consumer.

"Clinical supervision" means an organized process by which knowledgeable and skilled supervisors systematically and routinely provide ongoing and in-depth review of direct service providers' performance which leads to professional growth, clinical skills development, and increased self-awareness.

"Community-based Structured Crisis Center" or "CBSCC" means a program of non-hospital emergency services for mental health and substance use disorder crisis stabilization as authorized by 43A O.S. §3-317 including, but not limited to, observation, evaluation, emergency treatment, and referral, when necessary, for inpatient psychiatric or substance use disorder treatment services. This service is limited to CMHCs who are certified by the Department of Mental Health and Substance Abuse Services or facilities operated by the Department of Mental of Substance Abuse Services.

"Community education, consultation, and outreach" means services designed to reach the facility’s target population, to promote available services, and to give information on substance-related and addictive disorders, domestic violence, sexual assault, and other related issues to the general public, the target population, or to other agencies serving the target population. These services include presentations to human services agencies, community organizations, and individuals, other than individuals in treatment, and staff. These services may take the form of lecture presentations, films or other visual displays, and discussions in which factual information is disseminated. These presentations may be made by staff or trained volunteers.

"Community mental health center" or "CMHC" means a facility offering a comprehensive array of community-based mental health services including, but not limited to, inpatient treatment, outpatient treatment, partial hospitalization, emergency care, consultation and education, and certain services at the option of the center including, but not limited to, prescreening, rehabilitation services, pre-care and aftercare, training programs, and research and evaluation.

"Consultation" means the act of providing information or technical assistance to a particular group or individual seeking resolution of specific problems. A documented process of interaction between staff members or between facility staff and unrelated individuals, groups, or agencies for the purpose of problem solving or enhancing their capacities to manage consumers or facilities.

"Consumer" means an individual, adult, adolescent, or child, who has applied for, is receiving or has received evaluation or treatment services from a facility operated or certified by ODMHSAS or with which ODMHSAS contracts and includes all persons
referred to in OAC Title 450 as client(s) or patient(s) or resident(s) or a combination thereof.

"Consumer record" means the collection of written information about a consumer's evaluation or treatment that includes the admission data, evaluation, treatment or service plan, description of treatment or services provided, continuing care plan, and discharge information on an individual consumer.

"Continuing care" means providing a specific period of structured therapeutic involvement designed to enhance, facilitate, and promote transition from a current level of services to support ongoing recovery.

"Contract" means a document adopted by the governing authority of a treatment facility and any other organization, facility, or individual, which specifies services, personnel, or space to be provided by the program, as well as the monies to be expended in exchange.

"Co-occurring disorder" (COD) means any combination of mental health symptoms and substance use disorder symptoms or diagnoses that affect a consumer and are typically determined by the current Diagnostic and Statistical Manual of Mental Disorders.

"Co-occurring disorder capability" means the organized capacity within any type of program to routinely screen, identify, assess, and provide properly matched interventions to consumer's with co-occurring disorders.

"Co-occurring disorder enhanced" means that the program (or subunit of the program) provides a specialized service designed for individuals with co-occurring disorders, usually with a higher level of available service capacity or intensity for the co-occurring substance use disorder than would be the case in a comparable co-occurring disorder capable program.

"Correctional institution" means any penal or correctional facility, jail, reformatory, detention center, work farm, halfway house, or residential community program operated by, or under contract to, the United States, a state, a territory, a political subdivision of a state or territory, or an Indian tribe, for the confinement or rehabilitation of persons charged with or convicted of a criminal offense, or other persons held in lawful custody. Other persons held in lawful custody include juvenile offenders adjudicated delinquent, aliens detained awaiting deportation, persons committed to mental institutions through the criminal justice system, witnesses, or others awaiting charges or trial. Programs which are providing treatment services within a correctional facility may be exempt from certain services described in this chapter which cannot be provided due to circumstance.

"Crisis Diversion" means an unanticipated, unscheduled situation requiring supportive assistance, face-to-face or telephone, to resolve immediate problems before they become overwhelming and severely impair the individual's ability to function or maintain in the community.

"Crisis intervention" means actions taken and services provided to address emergency psychological, physiological, and safety aspects of alcohol, drug-related, and mental health crises.

"Critical incident" means an occurrence or set of events inconsistent with the routine operations of a facility, service setting, or otherwise routine care of a consumer. Critical incidents specifically include, but are not necessarily limited to the following:
adverse drug events; self-destructive behavior; deaths and injuries to consumers, staff, and visitor; medication errors; residential consumers that have absent without leave (AWOL); neglect or abuse of a consumer; fire; unauthorized disclosure of information; damage to or theft of property belonging to consumers or the facility; other unexpected occurrences; or events potentially subject to litigation. A critical incident may involve multiple individuals or results.

"Cultural competency" means the ability to recognize, respect, and address the unique needs, worth, thoughts, communications, actions, customs, beliefs, and values that reflect an individual’s racial, ethnic, religious, sexual orientation, and/or social group.

"Day school" means the provision of therapeutic and accredited academic services on a regularly scheduled basis.

"Department" or "ODMHSAS" means the Oklahoma Department of Mental Health and Substance Abuse Services.

"Detoxification" means the process of eliminating the toxic effects of drugs and alcohol from the body. Supervised detoxification methods include social detoxification and medical monitoring or medical management and are intended to avoid withdrawal complications.

"DHS" or "OKDHS" means the Oklahoma Department of Human Services.

"Diagnosis" means the determination of a disorder as defined by current DSM criteria and in accordance with commonly accepted professional practice standards.

"Dietitian" or "Dietician" means an individual trained and licensed in the development, monitoring, and maintenance of food and nutrition in accordance with the Oklahoma State Board of Medical Licensure and Supervision.

"Discharge criteria" means individualized measures by which a program and the consumer determine readiness for discharge or transition from services being provided by that facility. These may reference general guidelines as specified in facility policies or procedures and/or in published guidelines including, but not limited to, the current ASAM criteria for individuals with substance use disorders, but should be individualized for each consumer and articulated in terms of consumer behaviors, resolutions of specific problems, and attainment of goals developed in partnership with the participant and the provider.

"Discharge planning" means the process, begun at admission, of determining a consumer’s continued need for treatment services and of developing a plan to address ongoing consumer post-treatment and recovery needs. Discharge planning may or may not include a document identified as a discharge plan.

"Discharge summary" means a clinical document in the treatment record summarizing the consumer’s progress during treatment, with goals reached, continuing needs, and other pertinent information including documentation of linkage to aftercare.

"DOC" or "ODOC" means the Oklahoma Department of Corrections.

"Documentation" means the provision of written, dated, and authenticated evidence to substantiate compliance with standards, e.g., minutes of meetings, memoranda, schedules, notices, logs, records, policies, procedures, and announcements.

"DSM" means the most current edition of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.
"Education" means the dissemination of relevant information specifically focused on increasing the awareness of the community and the receptivity and sensitivity of the community concerning mental health, substance-related and addictive disorders, or other related problems and services related to the specific focus of treatment.

"Educational group" means groups in which information is provided to consumers or consumers in a teaching or instructional format and typically related to the current focus of treatment, designated to positively impact a consumer's recovery. Topics should be gender and age specific and should include, but not be limited to, information regarding their diagnosis or identified problems on their treatment plan. This service may involve teaching skills in communication, self-care, and social skills to promote recovery. Paraprofessionals and/or professionals in fields related to the education topic may facilitate education groups.

"Efficiency" means a program's measure of cost-benefit or cost effectiveness through a comparison to some alternative method.

"Emergency services" means a twenty-four (24) hour capability for assessment, intervention, and resolution of a consumer's crisis or emergency provided in response to unanticipated, unscheduled emergencies requiring prompt intervention to resolve immediate, overwhelming problems that severely impair the individual's ability to function or remain in the community and may include placement of the individual in a protective environment, withdrawal management, individual and group consultation, and medical assessment.

450:18-1-3. Meaning of verbs in rules

The attention of the facility is drawn to the distinction between the use of the words "shall," "should," and "may" in this chapter:

(1) "Shall" is the term used to indicate a mandatory statement, the only acceptable method under the present standards.
(2) "Should" is the term used to reflect the most preferable procedure, yet allowing for the use of effective alternatives.
(3) "May" is the term used to reflect an acceptable method that is recognized but not necessarily preferred.

450:18-1-4. Applicability
This chapter is applicable to all substance-related and addictive disorder treatment facilities and organizations providing treatment, therapy, rehabilitation services, and substance-related and addictive disorder treatment services which are statutorily required to be certified by the ODMHSAS.

450:18-1-5. Alcohol and drug abuse prevention, training, treatment and rehabilitation authority [REVOKED]

450:18-1-6. Annual review of standards and criteria [REVOKED]

450:18-1-7. New standards and criteria [REVOKED]

450:18-1-8. Suspension of rules
A portion of these standards may be suspended during a specific time frame to allow the certified provider the opportunity to engage in performance improvement activities in partnership with ODMHSAS. Suspension may be granted after the provider has submitted a formal written request to the Commissioner, or designee, of the Department of Mental Health and Substance Abuse Services and a letter of approval from the Commissioner, or designee of the Department of Mental Health and Substance Abuse Services, has been received. The Commissioner, or a designee, shall respond within thirty (30) days of receipt of the written request.

450:18-1-9. Staff qualifications
(a) All staff who provide clinical services shall have documented qualifications or training specific to the clinical services they provide.
(b) Staff qualifications for contracted entities shall be in compliance with 450:1-1-1.1 and 450:1-3-5.
(c) Compliance with 450:18-1-9 shall be determined by a review of staff personnel files and other supporting documentation provided.
(d) Failure to comply with 450:18-1-9 will result in the initiation of procedures to deny, suspend and/or revoke certification.

SUBCHAPTER 5. ORGANIZATIONAL AND FACILITY MANAGEMENT

450:18-5-1. Purpose
The purpose of this subchapter is to set forth rules regulating program requirements, activities, and services which are not specific to levels of care.

450:18-5-2. Applicability
The rules set forth in this subchapter are applicable only to those facilities providing substance-related and addictive disorder treatment services.

450:18-5-2.1. Organizational and facility description
(a) The facility shall have a written organizational description, which is reviewed annually and minimally includes:
(1) Target population to be served;
(2) The overall mission statement of the program which shall address the manner in which the facility welcomes all consumer with substance-related and addictive disorders, including those with co-occurring mental health conditions; and
(3) The annual facility goals and objectives, including the goal of continued progress for the agency in providing recovery oriented, culturally competent, trauma informed, and co-occurring capable services.
(b) The facility’s governing authority shall review and approve the mission statement and annual goals and objectives and document its approval.
(c) The facility shall make the organizational description, mission statement, and annual goals available to staff.
(d) The facility shall make the organizational description, mission statement, and annual goals available to the general public upon request.
(e) Each facility shall have in writing, by program component or service, the following:
(1) Philosophy and description of services, including the philosophy of recovery oriented and welcoming service delivery;
(2) Identity of the professional staff that provides these services;
(3) Admission and exclusionary criteria that identifies the type of consumers for whom the services are primarily intended;
(4) Goals and objectives, including making progress toward co-occurring capable, trauma informed, and culturally competent service delivery; and
(5) Delineation of processes to assure welcoming accessible, integrated, and co-occurring capable services and a plan for how each program component will
address the needs of individuals with co-occurring disorders.

(f) The facility shall have a written statement of the quality improvement processes, procedures, and plans for attaining the organization’s goals and objectives. These procedures and plans shall define specific tasks, including actions regarding the organization’s co-occurring capability, set target dates, and designate staff responsible for carrying out the procedures and plans.

(g) Compliance with this Section shall be determined by a review of the facility’s target population definition; facility policy and procedures; mission statement; written plan for professional services; other stated required documentation; and any other supporting documentation.

450:18-5-2.2. Information analysis and planning

(a) The facility shall have a defined and written plan for conducting an organizational needs assessment which specifies the methods and data to be collected to include, but not limited to, information from:

(1) Consumers;
(2) Governing Authority;
(3) Staff;
(4) Stakeholders;
(5) Outcomes management processes;
(6) Quality record review; and
(7) Self-assessment tools to determine progress toward co-occurring, recovery oriented, trauma informed, and consumer driven capability.

(b) The facility shall have a defined ongoing system to collect data and information on a quarterly basis to manage the organization.

(c) Information collected shall be analyzed to improve consumer services and organizational performance.

(d) The facility shall prepare an end of year management report which shall include, but not be limited to:

(1) An analysis of the needs assessment process;
(2) Performance improvement program findings; and
(3) Claims and accomplishments by facilities, including but not limited to consumer count and success rates, which may be verified by the ODMHSAS Board.

(e) The management report shall be communicated and made available to, among others:

(1) Governing authority;
(2) Facility staff; and
(3) ODMHSAS, as requested.

(f) Compliance with OAC 450:18-5-2.2 shall be determined by a review of the written program evaluation plans; written annual program evaluations; special or interim program evaluations; program goals and objectives; and other supporting documentation provided.

450:18-5-2.3. Performance improvement program

(a) The facility shall have an ongoing performance improvement program designed to objectively and systematically monitor, evaluate and improve the quality of consumer
care.
(b) The performance improvement program shall also address the fiscal management of the facility.
(c) The facility shall have an annual written plan for performance improvement activities. The plan shall include, but not be limited to:
   (1) Outcomes management specific to each program;
   (2) A quarterly quality consumer record review to evaluate the quality of service delivery;
   (3) Staff privileging;
   (4) Review of critical and unusual incidents and consumer grievances and complaints; and
   (5) Improvement in the following:
      (A) Co-occurring capability;
      (B) Provision of trauma informed services;
      (C) Provision of culturally competent services; and
      (D) Provision of consumer driven services.
   (6) Activities to improve access and retention within the treatment program, including an annual “walk through” of the intake and admission process.
(d) The facility shall identify a performance improvement officer.
(e) The facility shall monitor the implementation of the performance improvement plan on an annual basis and shall make adjustments as needed.
(f) Performance improvement findings shall be communicated and made available to, among others:
   (1) Governing authority;
   (2) Facility staff;
   (3) Consumers;
   (4) Stakeholders; and
   (5) ODMHSAS, as requested.
(g) Compliance with 450:18-5-2.3 shall be determined by a review of the written program evaluation plan; written program evaluations (annual and/or special or interim; program goals and objectives; and other supporting documentation provided).

450:18-5-3. Physical facility environment and safety
(a) All facilities providing any service to persons, groups, or the community shall have written policy and procedures intended to ensure the safety and protection of all persons within the facility's physical environment (property and buildings, leased or owned).
(b) These policies and procedures shall include, but are not limited to:
   (1) Meeting all fire and safety regulations, code, or statutory requirements of federal, state, or local government.
   (2) All facilities shall have an annual fire and safety inspection from the State Fire Marshal or local authorities, and shall maintain a copy of said inspection and attendant correspondence regarding any deficiency.
   (3) An emergency preparedness plan to provide effective utilization of resources to best meet the physical needs of consumers, visitors, and staff during any disaster (including, but not limited to: fire, flood, tornado, explosion, prolonged loss of heat,
Light, water, and/or air conditioning). This plan shall be evaluated annually and revised as needed.

(4) Facilities shall have a designated Safety Officer.

(5) Staff training and orientation regarding the location and use of all fire extinguishers and first aid supplies and equipment.

(6) Emergency evacuation routes and shelter areas shall be prominently posted in all areas.

(7) Fire alarm systems shall have visual signals suitable for the deaf and hearing-impaired.

(8) There shall be emergency power to supply lighting to pre-selected areas of the facility.

(9) The maintenance of facility grounds to provide a safe environment for consumers (specific to age group[s] served), staff and visitors.

(10) Storage of dangerous substances (toxic or flammable substances) in locked, safe areas or cabinets.

(11) There shall be a written plan for the protection and preservation of consumer records in the event of a disaster.

(c) If the facility serves children or adolescents in any form of residential care, there shall be outside play and recreational space and equipment provided which:

(1) Is protected and free from hazards;

(2) Is safely accessible from indoors;

(3) Has supplies and equipment maintained safely; and

(4) Has some shade provided.

(d) Compliance with 450:18-5-3 may be determined by a review of facility policy and procedures, fire and safety inspection reports and correspondence, disaster plan, any other supporting facility documentation, and interviews with staff and consumers.

450:18-5-3.1 Hygiene and sanitation

(a) Residential facilities shall provide the following services and applicable supporting documentation:

(1) Lavatories in a minimum ratio of one per each eight resident beds.

(2) Toilet facilities in a minimum ratio of one per eight resident beds. Each toilet room shall include a lavatory in the same room or immediately adjacent thereto.

(3) Bathing facilities in a minimum ratio of one tub or shower per each eight resident beds.

(4) Sewage discharge into a municipal sewerage system or collected, treated, and disposed of in an independent sewerage system.

(5) The facility shall have proof of regular inspections and treatment by a licensed pest control operator.

(6) Solid waste disposal through public systems or in a manner approved by the local agency having jurisdiction and the OSDH or Department of Environmental Quality (DEQ), as necessary.

(7) Water obtained from an approved public water supply or tested at least quarterly and treated as necessary, thereby maintaining a determination as an approved water supply by the authority having jurisdiction and the OSDH or DEQ, as necessary.
(8) Linen in quantities adequate to provide at least two changes of bedding each week.
(9) Housekeeping services so that a hygienic environment is maintained in the facility.

(b) Outpatient treatment facilities shall provide:
   (1) Lavatories and toilet facilities in a minimum ratio of one (1) per twenty (20) persons.
   (2) Water and sewerage in the same manner as prescribed for residential facilities.
   (3) Housekeeping services so that a hygienic environment is maintained in the facility.

450:18-5-3.2 Standards for food service
The following shall be applicable to all residential facilities and to any outpatient facilities which provide an on-premise meal service.

(1) Storage, preparation, and serving of food shall be in compliance with the requirements of the OSDH regulations governing public feeding establishments.
(2) Dishwashing may be accomplished by either mechanical dishwashers or by approved manual methods. If mechanical dishwashers are used, the final rinse shall be in clear water of 180 degrees Fahrenheit, or in compliance with the OSDH regulations. Manual procedures, if used, shall follow a written procedure which outlines the steps followed, temperature of cleaning and rinsing solutions, detergents and chemicals used, etc., and shall be specifically approved by the local or OSDH.
(3) Equipment used in the preparation and handling of food shall bear the seal of or document compliance with the National Sanitation Foundation (NSF) or equivalent, or with OSDH standards or other appropriate regulatory body.
(4) Ice used in contact with food or drink shall come from a source approved by the OSDH. Transportation, storage, handling, and dispensing shall be in a sanitary manner approved by the OSDH.

450:18-5-3.3 Tobacco-free campus
(a) The facility shall provide a tobacco-free campus for its employees, consumers and visitors. Possession and use of any tobacco product is prohibited on the grounds of the facility by employees, consumers, volunteers and visitors.
(b) Facility will visibly post signs on the property notifying consumers, employees and visitors that the visible possession and use of tobacco products is prohibited.
(c) Facility employees shall not share tobacco or tobacco replacement products with consumers.
(d) The facility shall offer assistance to employees who are tobacco users while he or she is employed by the facility. The assistance shall include, but is not limited to, the provision of information on the health impact of continued tobacco use; the integrated assessment of consumer's tobacco use into standard practice; referrals to tobacco cessation programs such as the Oklahoma Tobacco Helpline; the provision of or access to FDA-approved prescription and/or non-prescription medications for the treatment of nicotine dependence when available; the delivery of evidence-based behavioral interventions for tobacco use cessation by counselors and other clinicians; and
provision of appropriate follow-up to facilitate cessation intervention and prevent relapse.
(e) The facility shall always inquire of the consumers' tobacco use status and be prepared to offer treatment upon request of the consumer.
(f) Compliance with this Section shall be determined by visual observation; posted signs; consumer and staff interviews; and a review of the facility's policy, procedures and other supporting documentation provided.

450:18-5-4. Dietetic services
(a) Any facility which provides twenty-four (24) hour per day care shall have a written plan describing the organization and delivery of dietetic services (either directly or through contract) to meet the dietary needs of consumers.
(b) Menus for meals provided by the facility shall be reviewed annually and as needed for consumer's with special dietary needs (diabetes, pregnancy, religious requirements, etc.). This review shall be made by an Oklahoma Registered Dietician. Approval of the review shall be documented by the dietician's signature, American Dietetic Association (AA) Registration Number (RD#), Oklahoma License Number (DL#), and date of the review.
(c) Dietetic services, including health policy and procedures for food service staff, other staff, and consumers performing food service duties as a part of their treatment plan, shall be in compliance with all applicable federal, state, and local statutes and regulations, and shall be so noted in facility policy and procedure. All programs preparing meals provided to consumers shall document, on an annual basis, compliance with OSDH rules and regulations pertaining to kitchen facilities.
(d) Food shall be served in an appetizing and attractive manner, at realistically planned mealtimes, and in a congenial and relaxed atmosphere.
(e) Information pertinent to special dietetic needs of consumers shall be entered into the consumers' treatment records, and when medically indicated, forwarded to parties having permission to receive information regarding consumers' treatment.
(f) Compliance with 450:18-5-4 may be determined by a review of the following:
   (1) Facility policy and procedures;
   (2) Written plan for dietetic services;
   (3) Menus;
   (4) Menu approvals;
   (5) OSHD reports; and
   (6) Any other supporting facility documentation.

450:18-5-5. Pharmacy services and medications
(a) Facilities providing pharmacy services, either as a part of their regular business operation, through a sub-corporation, or other related business entity shall comply with all federal and state statutes and regulations regarding drugs and pharmacies, including, but not limited to, OAC, Title 535. Facility policy and procedure shall indicate such compliance.
(b) For services neither provided in a licensed hospital nor as a part of a licensed hospital's services, the facility shall have written policies and procedures including, but not limited to, the following:
(1) Staff not licensed to dispense or administer medication shall not dispense or administer medication;
(2) Medication shall not be withheld from a consumer for whom the medication was prescribed for non-medical reasons;
(3) Prescription medications shall be stored in a non-residential area under lock, with the exception of those medications which may be needed by a consumer on a medical emergency basis; and
(4) Staff shall keep a log of all self-administered medications (prescribed or over-the-counter).
(c) Compliance with 450:18-5-5 may be determined by a review of policy and procedure, consumer records, interviews with staff and consumers, and any other supporting facility documentation.

450:18-5-6. Day school
(a) Facilities providing a day school (i.e., an academic formal educational program) either as a primary focus of their services or as an ancillary service, shall be in compliance with all applicable rules and regulations of the Oklahoma State Department of Education (OSDE) and of the local school district in which the day school is located.
(b) In addition, the facility shall provide the following documentation:
(1) Academic services provided are accredited by the local school district or the OSDE;
(2) All teachers shall have a valid license or certificate from the OSDE for the teaching position they are employed to fill;
(3) Therapeutic units are provided by staff trained in the issues of substance use disorders;
(4) Each student shall have a home school; and
(5) Each student shall have a daily activity schedule and individualized treatment plan based on assessment of need and formulated for both educational and therapy needs.
(c) Compliance with 450:18-5-6 may be determined by a review of facility policy and procedures, relevant personnel records, other facility supporting documentation, and interviews with staff and consumers.

450:18-5-7. Performance improvement program [REVOKED]
450:18-5-8. Critical incident reporting
(a) The facility shall have written policies and procedures requiring documentation and reporting of critical incidents and analysis of the contributors to the incident with attention given to issues that may reflect opportunities for system level or program level improvement.
(b) The documentation of critical incidents shall include, but not be limited to the following:
   (1) The facility name and signature of the persons reporting the incident;
   (2) The names of the consumers, staff members or property involved;
   (3) The time, date, and physical location of the incident;
   (4) The time and date the incident was reported and the name of the staff person within the facility to whom it was reported;
   (5) A description of the incident;
   (6) Resolution or action taken, date resolution or action was taken, and signature of appropriate staff members; and
   (7) Severity of each injury, if applicable. Severity shall be indicated as follows:
      (A) No off-site medical care required or first aid care administered on-site;
      (B) Medical care by a physician or nurse or follow-up attention required; or
      (C) Hospitalization or immediate off-site medical attention was required.
(c) Critical incidents shall be reported to ODMHSAS with specific timeframes, as follows:
   (1) Critical incidents requiring medical care by a physician or nurse or follow-up attention and incidents requiring hospitalization or immediate off-site medical attention shall be delivered via fax or mail to ODMHSAS Provider Certification within twenty-four (24) hours of the incident being documented;
   (2) Critical incidents involving allegations constituting a sentinel event or consumer abuse shall be reported to ODMHSAS immediately via telephone or fax, but not more than twenty-four (24) hours after the incident. If reported by telephone, the report shall be followed with a written report within twenty-four (24) hours.
(d) Compliance with 450:18-5-8 shall be determined by a review of facility policies and procedures, critical incident reports at the facility, and those submitted to ODMHSAS, performance improvement program documents and reports, staff interviews, and any other relevant documentation of the facility or ODMHSAS.

450:18-5-9. Mechanical restraints [REVOKED]

450:18-5-10. Community information, consultation, outreach, and street outreach
(a) Each facility shall, as a regular part of consumer-based planning and services provision, provide the community with information, consultation, and outreach services to aid in reaching and attracting its specified target populations. These outreach efforts shall be conducted by staff members or program approved volunteers.
(b) These services shall be designed to:
   (1) Reach and attract the facility’s target population;
   (2) Provide information on substance use disorders and related issues to the public; and
   (3) Provide information to the public regarding the facility’s services.
(c) These services include, but are not limited to, presentations or outreach efforts to community groups, organizations, and individuals.

(d) Written documentation of all community information, consultation, and outreach services shall be maintained and shall include the following:
   (1) Names of persons or organizations receiving the services;
   (2) Names of persons providing the service;
   (3) Number of persons attending;
   (4) Locations at which the services were provided;
   (5) Date services were provided; and
   (6) Description of the services provided.

(e) Facilities providing street outreach services shall have written policies and procedures describing the processes for systematically reaching a community for the purpose of identifying persons in need of services, alerting persons and their families to the availability of services, locating needed services, and enabling persons to enter and accept the treatment services system.

(f) Compliance with 450:18-5-10 may be determined by a review of facility policy and procedures, documentation of community information, consultation, and outreach services, PICIS documentation and reports, and any other supporting facility documentation.

450:18-5-11. Technology
(a) The facility shall have a written plan regarding the use of technology and systems to support and advance effective and efficient service and business practices. The plan shall include, but not be limited to:
   (1) Hardware and software.
   (2) Security.
   (3) Confidentiality.
   (4) Backup policies.
   (5) Assistive technology.
   (6) Disaster recovery preparedness.
   (7) Virus protection.

(b) Compliance with 450:18-5-11 shall be determined by a review of the facility policies, performance improvement plans and technology and system plan.

SUBCHAPTER 7. FACILITY CLINICAL RECORDS

PART 1. RECORD SYSTEM

450:18-7-1. Purpose.
All facilities providing services in one or more levels of care shall document and maintain records as described in Subchapter 7.

450:18-7-1.1. Consumer record system
(a) Each facility shall maintain an organized system for the content, confidentiality, storage retention, and disposition of consumer case records.
(b) The facility shall have written policies and procedures concerning consumer
records which define required documentation within the case record.
(c) Consumer records shall be contained within equipment which shall be maintained under locked and secured measures.
(d) The facility shall maintain identification and filing systems which enable prompt record location and accessibility by the service providers.
(e) Consumer records shall be maintained in the facility where the individual is being treated or served. In the case of temporary office space and in-home treatment services, records may be maintained in the main (permanent) office and transported in secured lock boxes or vehicle trunks to and from temporary offices and homes, when necessary. Consumer records may be permanently maintained at the facility's administrative offices; however, a working copy of the consumer record for the purposes of documentation and review of services provided must be maintained at the site in which the consumer is receiving treatment.
(f) The facility shall have policies which govern the storage, retention, and disposition of consumer case records, including electronic records. These policies shall be compatible with protection of consumer’s rights against confidential information disclosure at a later date. ODMHSAS operated facilities shall comply with Records Disposition Schedule 82-17 as approved by the Oklahoma Archives and Records Commission.
(g) Compliance with 450:18-7-1.1 may be determined by a review of policies and procedures, treatment records, performance improvement guidelines, interviews with staff, and other facility documentation.

**450:18-7-2. Consumer records, basic requirements**
(a) Consumer records shall be developed and maintained to ensure that all appropriate individuals have access to relevant clinical and other information regarding the consumer. The consumer record shall communicate information in a manner that is organized, clear, complete, current, and legible. Consumer records shall contain, if applicable, the following:
   (1) Entries in consumer records shall be legible, signed with first name or initial and last name of the person making the entry;
   (2) The consumer shall be identified by name on each page of the consumer record and each screen of an electronic record;
   (3) A signed consent for treatment shall be obtained before any person can be admitted into treatment at a facility, unless the admission was on an involuntary basis;
   (4) A signed consent for follow-up, referral and payment for subsequent services shall be obtained before any contact after discharge can be made;
   (5) An admission assessment;
   (6) A biopsychosocial assessment. Those facilities providing Medically Supervised Withdrawal Management or Non-Medical Withdrawal Management are exempt from this requirement;
   (7) Service plans. Those facilities providing Medically Supervised Withdrawal Management or Non-Medical Withdrawal Management are exempt from 450:18-7-81 and 450:18-7-83;
   (8) Progress notes;
(9) A continuing care plan;
(10) Consultation reports;
(11) Psychological or psychometric testing;
(12) Records and reports from other entities;
(13) Medication records; and
(14) A discharge summary.

(b) Compliance with 450:18-7-2 may be determined by a review of policies and procedures, treatment records, performance improvement guidelines, interviews with staff, and other facility documentation.

450:18-7-3. Confidentiality, substance abuse records [REVOKED]

450:18-7-3.1. Confidentiality of substance-related and addictive disorder treatment information

Confidentiality policies, procedures, and practices must comply with federal and state law, guidelines, and standards.

450:18-7-4. Consumer record storage, retention, and disposition

(a) Each facility shall have written policies and procedures which:
   (1) Limits access to consumer records to persons with a need to know.
   (2) Requires consumer records be maintained in locked equipment which is kept within a locked room, vehicle, or premise.
   (3) With regard to closed consumer records, requires:
      (A) Confidential storage under lock and secure measures;
      (B) A stated period of retention; and
      (C) Records disposition and destruction under confidential conditions.

(b) EXCEPTION: With regard to 450:18-7-4(a)(3)(B), facilities operated by ODMHSAS shall comply with the provisions of the Records Disposition Schedule for said facility as approved by the Oklahoma Archives and Records Commission [67 O.S. § 305 and OAC 60:1-1-2].

(c) Compliance with 450:18-7-4(a) and, if applicable, 450:18-7-4(b) may be determined by a review of facility policies and procedures, and any other supporting facility documentation.

PART 3. SCREENING AND ASSESSMENT

450:18-7-21. Clinical record content, screening and assessment

(a) All facilities shall complete a face-to-face screening with each individual to determine appropriateness of further assessment.

(b) The facility shall maintain written screening policies and procedures that, at a minimum include: (1) how the screening is to be conducted; (2) that the screening conducted is an integrated screening to identify both immediate and ongoing needs, which includes screening for whether the consumer is a risk to self or others, including suicide risk factors; and (3) how the consumer is assisted with admission for services, and/or with accessing other appropriate services.
(c) All facilities shall assess each consumer for appropriateness of admission to the treatment program. Each presenting consumer for substance use disorder treatment shall be assessed, according to ASAM criteria, which includes a list of symptoms for all six dimensions and each level of care, to determine a clinically appropriate placement in the least restrictive level of care. For facilities offering gambling disorder treatment services, each presenting consumer for gambling disorder treatment shall be assessed using the Southern Oaks Gambling Screen (SOGS). Facilities must ensure that a consumer’s refusal of a particular service does not preclude the consumer from accessing other needed mental health or substance-related or addictive disorder treatment services. Should the service provider determine the consumer’s needs cannot be met within the facility, clinical assessments and referrals for the consumer shall be documented.

(d) Any consumer seeking admission to inpatient or residential services, including medically-supervised withdrawal management and non-medical withdrawal management while under the influence or undergoing withdrawal of alcohol or drugs, shall be assessed prior to admission for medical needs. The written criteria to be used for medical needs assessment of persons under the influence or undergoing withdrawal of alcohol or drugs, shall be approved by the facility’s consulting physician.

(e) Upon determination of appropriate admission, consumer assessment demographic information shall contain, but not be limited to, the following:
   (1) Date of initial contact requesting services;
   (2) Date of the screening and/or assessment;
   (3) Consumer’s name;
   (4) Gender;
   (5) Birthdate;
   (6) Home address;
   (7) Telephone number;
   (8) Referral source;
   (9) Reason for referral;
   (10) Significant other to be notified in case of emergency; and
   (11) PICIS-data core content, if the facility reports on PICIS.

(f) Compliance with 450:18-7-21 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Intake protocols;
   (3) Assessment instruments;
   (4) Treatment records;
   (5) Interviews with staff and consumers; and
   (6) Other facility documentation.

450:18-7-22. Screening and assessment, process requirements

(a) Written policies and procedures governing the screening and assessment process shall specify the following:
   (1) The information to be obtained on all applicants or referrals for admission;
   (2) The procedures for accepting referrals from outside agencies or organizations;
   (3) The records to be kept on all applicants;
(4) Any prospective consumer data to be recorded during the admission process; and
(5) The procedures to be followed when an applicant or a referral is found ineligible for admission.

(b) Facilities shall have written policies and procedures for the purpose of admitting and assessing persons with special needs.

(c) Compliance with 450:18-7-22 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Admission protocols;
   (3) Screening and assessment instruments;
   (4) Treatment records;
   (5) Interviews with staff and consumers; and
   (6) Other facility documentation.

450:18-7-23. Biopsychsocial assessment

(a) All programs shall complete a biopsychsocial assessment which gathers sufficient information to assist the consumer in developing an individualized service plan. The program shall develop a biopsychsocial evaluation which contains, but is not limited to, the following:
   (1) Behavioral, including substance use, abuse, and dependence as well as other addictive disorders;
   (2) Emotional, including issues related to past or current trauma;
   (3) Physical;
   (4) Social and recreational; and
   (5) Vocational.

(b) Compliance with 450:18-7-23 may be determined by a review of the following:
   (1) Policy and procedures;
   (2) Biopsychsocial assessment instruments;
   (3) Consumer records;
   (4) Case management assessments;
   (5) Interviews with staff and consumers; and
   (6) Other facility documentation.

450:18-7-24. Biopsychsocial assessment, time frame

(a) The assessment shall be completed during the admission process and within specific timelines established by the facility but no later than the following time frames:
   (1) Residential services, seven (7) days [168 hours];
   (2) Halfway house services, seven (7) days [168 hours];
   (3) Intensive outpatient services, by the fourth visit;
   (4) Outpatient services, by the end of the fourth visit.

(b) In the event of a consumer re-admission after one (1) year of the last biopsychsocial assessment, a new biopsychsocial assessment shall be completed. If readmission occurs within one (1) year after the last biopsychsocial assessment, an update shall be completed.

(c) Compliance with 450:18-7-24 may be determined by a review of the following:
   (1) Policies and procedures;
(2) Biopsychsocial assessment instruments;
(3) Treatment records;
(4) Case management assessments;
(5) Interviews with staff and consumers; and
(6) Other facility documentation.

450:18-7-25. Biopsychsocial assessments of children accompanying a parent into treatment
(a) All programs shall document biopsychsocial assessments for the parent and for children accompanying their parent into treatment:
   (1) Assessments of children (including infants) accompanying their parent into treatment (residential or halfway house levels of care) shall include the following items in addition to the requirements in 450:18-7-23:
      (A) parent-child relationship;
      (B) physical and psychological development;
      (C) educational needs;
      (D) parent related issues; and
      (E) family issues related to the child.
   (2) Assessments of the parent bringing their children into treatment (residential or halfway house levels of care) shall include the following items, in addition to the requirements of 450:18-7-23:
      (A) parenting skills (especially in consideration of the child's issues);
      (B) knowledge of age appropriate behaviors;
      (C) parental coping skills;
      (D) personal issues related to parenting; and
      (E) family issues as related to the child.
(b) Compliance with 450:18-7-25 may be determined by a review of the following:
   (1) Policy and procedure;
   (2) Biopsychsocial assessment instruments;
   (3) Treatment records;
   (4) Case management assessments;
   (5) Interviews with staff and consumers; and
   (6) Other facility documentation.

450:18-7-26. Biopsychsocial assessments of children accompanying a parent into treatment, time frame
(a) The assessment shall be completed as soon as possible after admission and within specific timelines established by the facility but no later than:
   (1) Residential, seven (7) days [168 hours];
   (2) Halfway house, seven (7) days [168 hours].
(b) In the event of a consumer readmission within one (1) year of the last biopsychsocial assessment, a photocopy of the latest biopsychsocial assessment and a biopsychsocial update will suffice.
(c) Compliance with 450:18-7-26 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Biopsychsocial assessment instruments;
(3) Treatment records;
(4) Case management assessments;
(5) Interviews with staff and consumers; and
(6) Other facility documentation.

450:18-7-27. Clinical record content, on-going assessment
(a) The facility shall have policies and procedures which delineate the process, protocols, and timeframes by which on-going clinical assessments occur.
(b) Compliance with 450:18-7-27 shall be determined by a review of the clinical records and agency policies and procedures.

PART 5. BIOPSYCHSOCIAL ASSESSMENT [REVOKED]

450:18-7-41. Biopsychsocial assessment [AMENDED AND RENUMBERED TO 450:18-7-23]

450:18-7-42. Biopsychsocial assessment, time frame [AMENDED AND RENUMBERED TO 450:18-7-24]

450:18-7-43. Biopsychsocial assessments of children accompanying a parent into treatment [AMENDED AND RENUMBERED TO 450:18-7-25]

PART 7. CASE MANAGEMENT

450:18-7-61. Case management services
(a) Case management efforts shall empower consumers to access and use needed services and meet self-determined goals. These services include resource skills development and consumer advocacy provided in various settings based on consumer need.
(b) As allowed per Title 43A O.S. Section 3-318, case management services shall be offered to all adults and children who have substance-related disorders, and to their family members, if applicable, to ensure access to needed services.
(c) Case management shall be co-occurring disorder capable.
(d) Case management services shall be planned referral, linkage, monitoring and support, and advocacy assistance provided in partnership with a consumer to support that consumer in self sufficiency and community tenure. Activities include:

(1) Completion of strengths based assessment for the purpose of individual plan of care development, which shall include evidence that the following were evaluated:
   (A) Consumer’s level of functioning within the community;
   (B) Consumer’s job skills and potential; and/or educational needs;
   (C) Consumer strengths and resources;
   (D) Consumer’s financial needs;
(E) Consumer's legal needs;
(F) Consumer’s present living situation and support system;
(G) Consumer’s use of substances and orientation to changes related to substance use;
(H) Consumer’s medical and health status;
(I) Consumer’s needs or problems which interfere with the ability to successfully function in the community; and
(J) Consumer’s goals.

(2) Development of case management care plan which can be reflected as a part of the comprehensive service plan;
(3) Referral, linkage and advocacy to assist with gaining access to appropriate community resources;
(4) Contacts with other individuals and organizations that influence the recipient's relationship with the community, i.e., family members, law enforcement personnel, landlords, etc.;
(5) Monitoring and support related to the individual plan of care to reassess goals and objectives and assess progress and or barriers to progress;
(6) Follow-up contact with the consumer if they miss any scheduled appointments (including physician/medication, therapy, rehabilitation, or other supportive service appointments as delineated on the service plan); and
(7) Crisis diversion (unanticipated, unscheduled situation requiring supportive assistance, face-to-face or telephone, to resolve immediate problems before they become overwhelming and severely impair the individual's ability to function or maintain in the community) to assist consumer(s) from progression to a higher level of care.

(e) Compliance with 450:18-7-61 shall be determined by on-site observation and a review of the clinical records and written policies and procedures.

450:18-7-62. Case management services, locale, and frequency
(a) Case management services shall be provided within community settings; the residence of the consumer; or any other appropriate settings, based on the individual needs of the consumer. Contact with consumers shall be made on at least a monthly basis unless otherwise specified in the service plan.
(b) Compliance with 450:18-7-62 shall be determined by a review of the following: Case managers shall contact each consumer at least once a month, unless otherwise specified in the service plan, to monitor progress or provide case management services. Inability to make face-to-face contact shall be documented. Contact was made with consumers as specified in the service plan.

450:18-7-63. Case management services for consumers admitted to higher levels of care
(a) Case managers from the outpatient facilities to which the consumer will be discharged shall assist the consumer and withdrawal management/residential/halfway house facility, psychiatric inpatient unit, and/or CBSCC, with discharge planning for consumer returning to the community, pursuant to appropriately signed releases and adherence to applicable privacy provisions:
(b) Consumers discharging from a withdrawal management/residential/halfway house facility shall be offered case management and other supportive services. This shall occur as soon as possible, but shall be offered no later than one (1) week post-discharge.

(c) Compliance with 450:18-7-63 shall be determined by a review of the clinical records; staff interviews; and information from ODMHSAS withdrawal management/residential/halfway house facilities, operated psychiatric inpatient unit, and CBSCC facilities.

450:18-7-64. Case management services for consumers in detoxification, residential and halfway house setting [REVOKED]

450:18-7-65. Case management services, staff credentials
(a) Individuals providing case management services shall be an LBHP, Licensure Candidate, CADC or certified as a behavioral health case manager pursuant to OAC, Title 450, Chapter 50.
(b) Compliance with 450:18-7-65 shall be determined by a review of the facility personnel records and credentialing files.

PART 9. SERVICE PLANNING

450:18-7-81. Service Plan
(a) The service plan is performed with the active participation of the consumer and a support person or advocate, if requested by the consumer. In the case of children under the age of eighteen (18), it is performed with the participation of the parent or guardian, if allowed by law, and the child as age and developmentally appropriate. The service plan shall provide the formation of measurable service objectives and reflect ongoing changes in goals and objectives based upon consumer’s progress or preference or the identification of new needs, challenges, and problems.
(b) The service plan is developed after and based on information obtained in the assessment and includes the evaluation of the assessment information by the clinician and the consumer.
(c) The service plan must have an overall general focus on recovery which, for adults, may include goals like employment, independent living, volunteer work, or training, and for children, may include areas like school and educational concerns and assisting the family in caring for the child in the least restrictive level of care.
(d) Comprehensive service plan contents shall address the following:
   (1) Consumer strengths, needs, abilities, and preferences;
   (2) Identified presenting challenges, needs, and diagnosis;
   (3) Goals for treatment with specific, measurable, attainable, realistic, and time-limited objectives;
   (4) Type and frequency of services to be provided;
   (5) Description of consumer’s involvement in, and response to, the service plan and his or her signature and date;
   (6) The service provider who will be rendering the services identified in the service plan; and
(7) Discharge criteria that are individualized for each consumer and beyond that which may be stated in the ASAM criteria.

(e) Service plan updates shall address the following:
   (1) Progress on previous service plan goals and/or objectives;
   (2) A statement documenting a review of the current service plan and an explanation if no changes are to be made to the service plan;
   (3) Change in goals and/or objectives based upon consumer’s progress or identification of new needs and challenges;
   (4) Change in frequency and/or type of services provided;
   (5) Change in staff who will be responsible for providing services on the plan; and
   (6) Change in discharge criteria.

(f) Service plan updates should occur at a minimum of every six (6) months during which services are provided.

(g) Service plans, both comprehensive and update, must include dated signatures for the consumer (if over age 14), the parent/guardian (if under age 18 and allowed by law), and the primary service practitioner.

(h) Compliance with 450:18-7-81 shall be determined by a review of the clinical records, interviews with staff and consumers, and other facility documentation.

450:18-7-82. Comprehensive Service plans, time frames
(a) Comprehensive service plans shall be completed according to the time frames outlined by the facility, but no later than:
   (1) Residential services, eight (8) days;
   (2) Halfway house services, eight (8) days;
   (3) Intensive outpatient services, sixth (6th) visit;
   (4) Outpatient services, sixth (6th) visit.

(b) Compliance with 450:18-7-82 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Treatment protocols;
   (3) Clinical services manuals;
   (4) Service plan forms;
   (5) Consumer records;
   (6) Interviews with staff and consumers; and
   (7) Other facility documentation.

450:18-7-83. Treatment plans, review and update [REVOKED]

450:18-7-84. Service plans, medically supervised withdrawal management
(a) Medically supervised withdrawal management facilities shall complete medical service plans to address the medical stabilization treatment and service needs of each consumer within three (3) hours of admission. When necessary, medically supervised withdrawal management service plans may be initiated by a licensed physician or licensed registered nursing staff.

(b) Compliance with 450:18-7-84 may be determined by a review of the following:
   (1) Policies and procedures;
(2) Treatment protocols;
(3) Clinical services manuals;
(4) Service plan forms;
(5) Consumer records;
(6) Interviews with staff and consumers; and
(7) Other facility documentation.

PART 11. PROGRESS NOTES

450:18-7-101. Progress notes
(a) Progress notes shall chronologically describe the services provided, the consumer’s response to the services provided, and the consumer’s progress in treatment.
(b) Progress notes, unless defined otherwise by level of care, shall address the following:
   (1) date;
   (2) consumer’s name;
   (3) start and stop time for each timed treatment session or service;
   (4) signature of the service provider;
   (5) credentials of the service provider;
   (6) specific service plan needs, goals and/or objectives addressed;
   (7) services provided to address needs, goals, and/or objectives;
   (8) progress or barriers to progress made in treatment as it relates to the goals and/or objectives;
   (9) consumer (and family, when applicable) response to the session or service provided; and
   (10) any new needs, goals and/or objectives identified during the session or service.
(c) Outpatient staff must document each visit or transaction, except for assessment completion or service plan development, including missed appointments.
(d) Compliance with 450:18-7-101 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Consumer records;
   (3) Progress notes;
   (4) Interviews with staff; and
   (5) Other facility documentation.

PART 13. DISCHARGE PLANNING

450:18-7-121. Discharge assessment
(a) All facilities shall assess each consumer for appropriateness of discharge from a treatment program. Each consumer shall be assessed using ASAM criteria that includes a list of symptoms for all six dimensions and each of the levels of care, to determine a clinically appropriate placement in the least restrictive level of care. This organized process involves a professional determination for appropriate placement to a specific level of care based on the consumer’s severity of symptoms and current situations.
(b) Compliance with 450:18-7-121 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Continuing care plans;
   (3) Discharge assessments;
   (4) Discharge summaries;
   (5) Progress notes;
   (6) Consumer records;
   (7) Interviews with staff and consumers; and
   (8) Other facility documentation.

450:18-7-122. Continuing care plan
(a) The facility shall assist the consumer to obtain services that are needed, but not available within the facility, and/or in transitioning from one level of care to another, and/or discharging from a facility. A written plan of recommendations and specific referrals for implementation of continuing care services, including medications, shall be prepared for each consumer who meets the ASAM dimensional continued service criteria, in each level of care. Continuing care plans shall be developed with the knowledge and cooperation of the consumer. The continuing care plan may be included in the discharge summary. The consumer’s response to the continuing care plan shall be noted in the plan or a note shall be made that the consumer was not available and why. In the event of the death of a consumer, a summary statement including this information shall be documented in the record.
(b) Compliance with 450:18-7-122 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Continuing care plans;
   (3) Discharge assessments;
   (4) Discharge summaries;
   (5) Progress notes;
   (6) Consumer records;
   (7) Interviews with staff and consumers; and
   (8) Other facility information.

450:18-7-123. Discharge summary
(a) A completed discharge summary shall be entered in each consumer’s record within fifteen (15) days of the consumer completing or discontinuing services.
(b) The discharge summary shall include, but not be limited to, the following:
   (1) Identified needs at admission;
   (2) Initial condition and condition of consumer at discharge;
   (3) Summary of current medications, when appropriate;
   (4) Treatment and services provided, and a summary of treatment outcomes;
   (5) The signature of the staff member completing the summary and the date.
(c) Compliance with 450:18-7-123 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Continuing care plans;
   (3) Discharge assessments;
   (4) Discharge summaries;
(5) Progress notes;
(6) Consumer records;
(7) Interviews with staff and consumers; and
(8) Other facility documentation.

450:18-7-124. Unplanned discharges [REVOKED]

PART 15. OTHER CASE RECORD MATERIALS

450:18-7-141. Consultation reports
(a) The consumer record shall contain copies of all consultation reports concerning the consumer.
(b) Compliance with 450:18-7-141 may be determined by a review of policies and procedures, consumer records, progress notes, interviews with staff, and other facility documentation.

450:18-7-142. Psychological or psychometric testing
(a) When psychometric or psychological testing is done, the consumer record shall contain a copy of a written report describing the test results and implications or recommendations for treatment.
(b) Compliance with 450:18-7-142 may be determined by a review of policies and procedures; consumer records; progress notes; interviews with staff; and other facility documentation.

450:18-7-143. Records and reports from other entities
(a) The consumer record shall contain any additional information relating to the consumer, which has been secured from sources outside the treatment facility. The information obtained shall be confidential and privileged and may not be released except as allowed by applicable state and federal laws.
(b) Compliance with 450:18-7-143 may be determined by a review of policies and procedures, consumer records, progress notes, interviews with staff, and other facility documentation.

450:18-7-144. Medication record
(a) A medication record shall be maintained on all consumers who receive medications or prescriptions through facility services and shall be a concise and accurate record of the medications the consumer is receiving or prescribed.
(b) The consumer record shall contain a medication record with the following information on all medications that are self-administered, administered, dispensed, or prescribed by licensed medical staff:
   (1) Type of medication;
   (2) Dosage;
   (3) Frequency of administration or prescribed change;
   (4) Route of administration; and
(5) Staff member who administered, dispensed, or monitored self-administration of each dose, prescribing licensed medical staff when applicable, and consumer's signature when self-administered.

(c) A record of pertinent information regarding adverse reactions to drugs, drug allergies, or sensitivities during admission, updated when required by virtue of new information, and kept in a highly visible location in or on the record.

(d) Compliance with 450:18-7-144 may be determined by a review of policies and procedures, consumer records, progress notes, interviews with staff, and other facility documentation.

(5) Assessment:

(A) The consumer shall have an addiction-focused history, obtained as part of the initial assessment and reviewed with a physician during the admission process if physician-developed protocols indicate concern; and

(B) An individualized case management plan shall be developed prior to discharge to the appropriate level of care.

(6) Compliance with 450:18-13-81 may be determined by a review of the following:

(1) Licenses;
(2) Policies and procedures;
(3) Treatment protocols;
(4) Physician-approved withdrawal management procedures;
(5) Personnel records, documentation of professional licensure or certification, documentation of professional work experience, and ongoing in-service trainings;

450:18-13-82. Non-medical withdrawal management, admission criteria

(a) Admission to non-medical withdrawal management shall be determined according to 450:18-7-21. These criteria shall be a part of the program’s written policy and procedures.

(b) Compliance with 450:18-13-82 may be determined by a review of the following:

(1) Policies and procedures;
(2) Admission assessment instruments;
(3) Medical evaluations;
(4) Admission protocols;
(5) Treatment records;
(6) Interviews with staff and consumers; and
(7) Publicly posted information and other facility documentation.

450:18-13-83. Non-medical withdrawal management, discharge criteria
(a) Programmatic discharge from non-medical withdrawal management shall be determined according to 450:18-7-121. These criteria shall be a part of the program's written policy and procedures.
(b) Compliance with 450:18-13-83 may be determined by a review of the following:
   (1) Policies and procedures;
   (2) Discharge evaluation assessment instruments;
   (3) Medical evaluations;
   (4) Consumer records and discharge summaries;
   (5) Continuing care plans;
   (6) Interviews with staff and consumers; and
   (7) Other facility documentation.

PART 11. RESIDENTIAL TREATMENT

(a) Substance use disorder treatment in a residential setting shall provide a planned regimen of twenty-four (24) hours a day, seven (7) days a week of professionally directed evaluation, care, and treatment in a permanent program location. Consumers shall participate in at least twenty-four (24) treatment hours of substance use disorder treatment services per week. The facility shall provide beds, food service, and a safe, welcoming, and culturally/age appropriate environment.
(b) The facility shall maintain written programmatic descriptions and operational methods addressing the following:
   (1) Support system:
      (A) A licensed physician shall be available, at least by telephone, twenty-four (24) hours per day, seven (7) days per week;
      (B) The facility shall maintain written policy and procedures for handling medical emergencies; and an emergency medical number shall be conspicuously posted for staff use; and
      (C) The facility shall maintain written policies and procedures for the handling of clinical issues during times in which clinical staff are not at the facility.
   (2) Staff:
      (A) The facility shall maintain documentation that service providers are knowledgeable regarding the biopsychosocial dimensions of substance use disorders, evidenced-based practices, cultural, age, and gender specific issues, and co-occurring disorder issues.
      (B) Staff shall be at least eighteen (18) years of age.
      (C) The facility shall document in personnel records all education, training, and experience stated above prior to the provision of direct care services.
      (D) The facility shall have staff members on site twenty-four (24) hours per day, seven (7) days per week.
   (3) Treatment services. Daily (twenty-four [24] hours a day, seven [7] days a week) substance use disorder treatment services shall be provided to assess and address
